It took 60 hours a week and 5 years to even get to 16, after being started at 12.50. So I got into maintenance work instead. Because the money is so much better. My current job started me at \$20/hr and that is with 6 months experience as a maintenance technician. I apologize for being a downer but a good paying job is real hard to come by in nc.

The AWS is also called the "13th month payment". It is a single annual payment on top of an employee's total annual wage. AWS is not compulsory. Payment depends on what is in your employment contract or collective agreement. Employers are encouraged to give their employees AWS to reward them for contributing to the company's performance.
