Lewis Lockwood - Wikipedia

In my opinion, Beethoven is the greatest music composer of all time, and his symphonies are all excellent. So, when I saw that this book was available from the author of a recent excellent biography on the life of Beethoven, I jumped at the opportunity to read and savored every minute. Each chapter of the book covers one of Beethoven's symphonies.

Beethoven: Lewis Lockwood: 9780674430181: Amazon.com: Books

Tells you everything you need to know about Beethoven. Lockwood writes with clear and informative prose. The book is also very well researched and organized. The only reason I have to knock off a half star is because I wish Lockwood would have spent more time talking about Beethoven's personal life. The book is about 75% music, 25% bio.
