69E - MAXIMILLIAN MIGUEL

Prince Daric Carvillius is the twelve hundred year old Prince of the Vampire Healers, the most powerful being on earth, and very accustomed to getting his own way in every situation. When one of his healers, Liam, finds his mate after an entire millennium had passed without one healer mating, Daric is hopeful that the Carvillius Curse is finally broken; the results of a mistake he made a thousand years ago finally righted, allowing healers to find their mates. The only vampire healer he doesn't want to see mated is himself, positive that the last thing he wants is a female he has to protect in addition to babysitting his unruly lot of vampire healers. But Daric has a destiny to fulfill, and his fate crashes into his life, literally, one snowy night in Colorado when he rescues a female human, Hannah Temple, from a blizzard. Hannah Temple has returned to her small town after eight years in Vail, her ex-boyfriend having dumped her after a tragic accident that has left her unable to ski or even walk without a limp. Still reeling from the sudden loss of her father from a fatal heart attack, she tries to put her life back together after a year of loss and pain. Running the small pizzeria her father had left her, she feels compelled to make a delivery that is probably unwise, but important to keeping the business of Daric Carvillius, the most mysterious and notorious resident in the small mountain town.

Lara Bailey isn't in Rocky Springs for the hot springs, the resort activities or the fabulous skiing. She has come to Colorado for one reason and one reason only: to find and get close to Marcus Colter, the eldest Colter brother. Unfortunately, trouble finds her in the form of Tate Colter rather than Marcus. The youngest Colter brother is arrogant, cocky, smart, and tenacious in his attempts to find out why she wants to find Marcus even though she's never met him. Lara isn't willing to divulge that information, and Tate is determined to uncover her motives. It makes Tate one hot, wickedly sexy, adorably dimpled, alpha

male pain in her backside. Lara is really confused when Tate helps her out of a difficult and potentially dangerous situation. It leaves Lara wondering if he really is the cocky, arrogant jerk that he pretends to be, or if there isn't much more to Tate Colter than she'd initially thought. Tate Colter wants Lara Bailey in his bed...badly. When she completely blows him off and ignores him when they meet, he's even more determined to find out her secrets and get her to submit to the molten desire that radiates between the two of them. The fact that she's one tough female, a woman who can give back exactly what he dishes out, makes her even more intriguing to him. Sparks fly as Tate and Lara become involved in a battle of wits and wills that will ignite flames of passion and desire like neither one of them have ever experienced. But when deception is discovered and a betrayal takes place, can these two adversaries who are so much alike work together without letting the white-hot passion burning between them incinerate them both?

It was only supposed to be a part-time nanny job. Then the pandemic hit. Now I'm quarantined with three guys at their secluded lake house. And considering what they look like? Things could be a lot worse. Bryce, the darkly handsome painter whose son I'm nannying. The millionaire artist has been trying to regain his creative spark... and some scintillating fun with me ends up being the jump-start he needs. Liam, the English art dealer who reminds me of David Beckham. He spends most of his time swimming in the lake and walking around the house shirtless, and he winks at me like he knows I'm checking him out. Pax, their accountant and financial planner. Tall and lean, he has a sense of humor that keeps me smiling despite the deadly virus. I spend my days nannying the baby, And my nights having sweaty, steamy fun. Being shared by these three incredible men to take our minds off the pandemic. We don't know how long we'll be stuck at the lake house. So we might as well make

the best of it, right? NANNY WITH BENEFITS is a sizzling reverse harem love story filled with humor, suspense, and scintillating action. HEA guaranteed!

This book represents the culmination of a lifetime of research in the spoken Spanish dialects of the Americas by one of the foremost experts in this field. Based on more than sixty years of residence, travel, research, and teaching among Spanish-speaking people, Canfield's study of the phonological phenomena that have created dialects of Spanish in the Americas makes use of historical treatises, contemporary accounts, and the author's own observations. Bibliographies for each area and a main bibliography of some three hundred pertinent books and articles make this book valuable both as a text and as a reference work.

Hands On is the first of a three-part erotic series from New York Times and USA best-selling author Cathryn Fox. When hot as hell Danielle Lang showed up and asked me to teach her about sex, I thought I was hallucinating. Turns out the beautiful psychologist needed an extra bit of schooling in all things sexual so she could teach a class. I'm always up for helping a friend. I mean, it's the least I can do. What I wasn't expecting is for her to turn the tables and teach me a few things. Only this short-term promise of two weeks in her bed is going by a little too quickly. Not that I'm thinking forever or anything. I've got a football career to get back to. And she doesn't want to be a part of my world. There's no way we can be together—so I'm going to make sure I enjoy every sexy second.... This is the first of a three-part series full of mind-blowing sex, featuring a dirty-mouthed football player who knows the score and an inexperienced therapist who needs to learn it. HANDS ON is sure to leave readers begging for more. The next installment, Body Contact, will be published August 2016. The Hands On serial is best enjoyed in order. Reading Order: Book #1 Hands On Book #2 Body Contact Book #3 Full Exposure

Aiden Sinclair was a commercial fisherman before he suddenly came into his billionaire inheritance -- not that he's complaining. Being a Sinclair does have its perks. But things were simpler before the money. He may have been dirt poor, but he loved his job and fully intended to always come back from the sea to his girlfriend, Skye Weston, so they could move toward something more permanent. Or at least that had been the plan . . . until he returned from a two-month fishing trip to discover she had moved away and was marrying somebody else. It tore his world apart.

No one in America has done more observing of more people than Dr. Frank I. Luntz. From Bill O'Reilly to Bill Maher, America's leading pundits, prognosticators, and CEOs turn to Luntz to explain the present and to predict the future. With all the upheavals of recent events, the plans and priorities of the American people have undergone a seismic shift. Businesses everywhere are trying to market products and services during this turbulent time, but only one man really understands the needs and desires of the New America. From restaurant booths to voting booths, Luntz has watched and assessed our private habits, our public interests, and our hopes and fears. What are the five things Americans want the most? What do they really want in their daily lives? In their jobs? From their government? For their families? And how does understanding what Americans want allow businesses to thrive? Luntz disassembles the preconceived notions we have about one another and lays all the pieces of the American condition out in front of us, openly and honestly, then puts the pieces back together in a way that reflects the society in which we live. What Americans Really Want...Really is a real, if sometimes scary, discussion of Americans' secret hopes, fears, wants, and needs. The research in this book represents a decade of face-to-face interviews with twenty-five thousand people and telephone polls with one million more, as well as the exclusive, first-ever "What Americans Really Want" survey. What Luntz offers is a glimpse into the American psyche, along with analysis that will rock assumptions and right business judgment. He proves that success in virtually any profession demands that we either understand what Americans really want, or suffer the consequences. Praise for Frank Luntz: "When Frank Luntz invites you to talk to his focus group, you talk to his focus group." --President Barack Obama, spoken on June 28, 2007, to a PBS-sponsored focus group following the Democratic presidential debate at Howard University "Frank Luntz understands the American people better than anyone I

know." --Newt Gingrich, former Speaker of the House "The Nostradamus of pollsters." --Sir David Frost "America's top companies listen to Frank Luntz because he understands what customers want and what employees think. He has a keen sense of the American psyche and an outstanding command of language that empowers and persuades." --Thomas J. Donohue, President & CEO, U.S. Chamber of Commerce Cleo knows her job is borderline unethical, but she tells herself that the businessmen she spies on are arrogant and greedy. Besides, it pays well and she needs the money for her sister's medical bills and to put her through art school. But when that art school's very existence is under threat from Cleo's latest target, billionaire Reece Kavanagh, she will do anything in her power to stop him and keep her sister happy. Until she falls in love with him. He was supposed to be a jerk, but Reece turns out to be everything Cleo ever wanted in a man. His heart is not cold and empty as reported, but beats only for Cleo. So when he reveals the dark secret that drives him to close down the school, she knows she has to stop him, for his own good as well as her sister's. But what will Reece do when he finds out that the woman he trusts has been undermining him all along?

I have to be the best. I am the best. I'm quick. I'm strong. I'm smart. I'm the star keeper of my high school soccer team, and I've got major leagues scouting me. As their captain, my teammates will do anything I say - on or off the field. Girls practically beg to be added to my list of conquests. As long as I manage to go pro for the best team in the world, I won't have to worry about my father's wrath. I'm Thomas Malone, and I've seen to it that the world revolves around me. There's a new girl at school, and it's just a matter of time before she gives in to my charm. This one's just a little more stubborn than most - she won't even tell me her name! She's smart, too. Maybe too smart. I can't let her in. I can't let anybody in. I'm not too worried, but even I have to admit she's interfering with my focus on the goal. Dad's not going to be happy about that. Did I mention I love Shakespeare? Yeah, I know. I'm a walking contradiction. According to the Bard - "some are born great, some achieve greatness, and some have greatness thrust upon them." Somehow, I got all three. Now how is anyone supposed to live up to that? Becky Denny's life is carefree and untroubled. The only blip is her sister's fretting over her husband's family. Becky knows the Kavanagh clan have had their problems, but the only thing standing in the way of a happy family reunion is the

absence of the youngest brother, Damon. After getting out of jail, he hasn't wanted anything to do with them, and that's putting them all on edge. So she decides to do something about it. It's been a long time since Becky's seen Damon. He's changed. Always a little wild, he now has a rougher, harder edge. He challenges her in ways she didn't expect, and sets her skin on fire with his touch. Before she realizes it, she's falling in love with the darkest, most secretive Kavanagh. When Damon "the demon" Kavanagh gets out of jail, he wants nothing to do with his family. That is, until Becky Denny comes along and gets him agreeing to do something he vowed not to—see his parents again. Falling head over heels in love with a grown-up Becky has got him reassessing his life and his values, and given him hope. Until it all unravels in one morning, with one phone call that leaves him shattered.

All of Jared Sinclair's wealth still can't ease the pain from his terrible childhood or his guilt over a recent tragedy. Unable to forgive himself, the billionaire property investor buries his emotions, toughens his skin, and becomes a notorious womanizer, refusing to commit his heart to a woman when he's convinced she wants only his wallet. But ever since Jared arrived in Amesport, Maine, he's been intrigued by Mara Ross, the petite and sexy shop owner who asks nothing of him. When Mara's store is purchased without her knowledge, she stands on the brink of losing her home, her livelihood, and generations of family history. Then the irresistibly persuasive Jared proposes a business deal to Mara and soon draws her into a steamy, sensual affair, convincing her that he's anything but cold. However, when a revelation shakes Mara's fragile trust to the core, Jared must finally confront the truth about his past. In "The Forbidden Billionaire," J. S. Scott brings the next chapter in her passionate Sinclairs series to life.

Includes excerpts from Indiscreet and Unforgiven.

There's no such thing as a casual romance in this unforgettable Accidental Billionaires novel by New York Times bestselling author J. S. Scott. After finishing a hard-won medical residency, Owen Sinclair now lives his dream as a family physician. The windfall that brought him newfound wealth has also made handsome Dr. Sinclair the town's most eligible bachelor. But Owen's eyes are on Layla, his onetime best friend, his clinic's dedicated nurse practitioner, and the one woman in Citrus Beach who has no interest in either his body or his billions. In high school, Owen and Layla were always there for each other. Layla could

confess almost anything to him. But wanting more than friendship was a confession too far, and Layla's teenage longing was crushed in a heartbeat. Two buried hurts are now in need of mending, and Owen has a proposition--if Layla is game. It's a matter of trust as they discover so much more about the past, each other, and themselves. It's not too late. Maybe they can make up for lost time. A love this true is worth the wait.

Exploring Translation Theories presents a comprehensive analysis of the core contemporary paradigms of Western translation theory. The book covers theories of equivalence, purpose, description, uncertainty, localization, and cultural translation. This second edition adds coverage on new translation technologies, volunteer translators, non-linear logic, mediation, Asian languages, and research on translators' cognitive processes. Readers are encouraged to explore the various theories and consider their strengths, weaknesses, and implications for translation practice. The book concludes with a survey of the way translation is used as a model in post-modern cultural studies and sociologies, extending its scope beyond traditional Western notions. Features in each chapter include: An introduction outlining the main points, key concepts and illustrative examples. Examples drawn from a range of languages, although knowledge of no language other than English is assumed. Discussion points and suggested classroom activities. A chapter summary. This comprehensive and engaging book is ideal both for self-study and as a textbook for Translation theory courses within Translation Studies, Comparative Literature and Applied Linguistics.

Down on her luck, nursing student and full-time waitress Kara Foster gets a massive blow to her already desperate financial situation that will surely find her living on the streets. Needing nothing less than a miracle to save her, Kara gets rescue from an unknown, unlikely and overwhelming source. Billionaire Simon Hudson makes her an offer that is impossible to refuse, but terrifying to accept from a man that she's never met. Will the handsome, alpha billionaire really be a solution to her problems, or will he end up being a major complication and a danger to her emotional sanity? Reclusive billionaire Simon Hudson would rather be behind a computer creating computer games than rubbing elbows with the elite and he knows exactly what he wants...until he meets Kara Foster. Something about Kara touches Simon in ways he's never experienced and definitely doesn't like. For over a year, Simon watches over Kara, but stubbornly re-

fuses to admit his desire to possess her, not even to himself. But when she ends up in a situation that could very well be her destruction, Simon steps up to help her, not realizing that in saving Kara, he might very well be salvaging his own soul. The Billionaire's Obsession Series: The Billionaire's Obsession - Simon Heart Of The Billionaire - Sam The Billionaire's Salvation - Max The Billionaire's Game - Kade Billionaire Undone - Travis Billionaire Unmasked - Jason Billionaire Untamed - Tate Billionaire Unbound - Chloe Billionaire Undaunted - Zane Billionaire Unknown - Blake Billionaire Unveiled - Marcus Billionaire Unloved - Jett Billionaire Unchallenged - Carter Includes One night with a billionaire: Billionaire unmasked, the prequel.

Billionaire UnveiledThe Billionaire's Obsession ~ Marcus

What's the big deal? Unlike a lot of people, Matt Beckford is actually looking forward to turning thirty. His twenties really weren't so great...and now he has his love life, his career, his finances -- even his record collection -- pretty much in order, like any good grown-up should. But when, out of the blue, Elaine announces she "can't do this anymore," Matt is left with the prospect of facing the big three-oh alone. Compounding his misery is the fact that he has to move back in with his parents. What's it all about, Alfie? Mum and Dad immediately start driving Matt up the wall, and emails from Elaine and nights out with his old school chum Gershwin aren't enough to snap Matt out of his existential funk. So he decides to track down more old schoolmates and see how they're handling this thirty thing. One by one, he gets in touch with the rest of the magnificent seven -- Pete, Bev, Katrina, Elliot, and Ginny, his former on-off girlfriend -- and soon the old gang is back together. But they're a lot older and a lot has changed and, even if he and Ginny still seem attracted to each other, you can't have an on-off girlfriend when you're thirty. Can you?

I never expected the man I saw as nothing but a billionaire player to be the only person who could rescue me from near insanity. One moment, everything was perfect. I was finally Dr. Harlow Lewis, research geoscientist, and I was actually employed at Montgomery Mining Laboratories, the crême de la crême of labs for my specialty. I also had good friends, a supportive parent, and a budding relationship with a great guy. Add all of those things together and it was impossible for my existence to be anything less than ideal. I had exactly the life I'd always wanted, until it...wasn't. I guess I never realized that brief periods of perfection could instantly be followed

by a nine day, horrific hostage situation that would forever change the woman I'd been before that incident. Oddly, after my release, the only person who knew that I was struggling to get my life back was Jaxton Montgomery, my billionaire boss, and the king of one-nighters. Not exactly the perfect confidante, right? The two of us barely spoke unless it was company business, especially after I'd turned down a date with him two years earlier. What rational female would want to have dinner with a man who was known for his one-and-done dating behavior? Maybe Jax wasn't the guy I would have chosen to be the person who would drag me out of the darkness and back into life again, but he was the only one stubborn enough to do it. He systematically broke down all of defenses until I reached out and clung to him like he was the only lifeline I had. It wasn't until I got to know him that I realized that Jax was so much more than the playboy he was portrayed to be in the gossip columns. He was patient, he didn't judge, and he had a wicked sense of humor. Even stranger, he understood what I was going through, even when I didn't understand it myself. Unfortunately, he was also the hottest guy I'd ever met, and as our bizarre friends-but-not-really-friends relationship continued, it was getting harder and harder to fight the intense chemistry between the two of us. What happens when a guy you thoroughly disliked just a few months ago suddenly becomes your everything? Jax had helped me claw my way back into my life, but was I brave enough to risk everything all over again to keep the one man I'd always wanted but could never have?

German Americans were one of the largest immigrant groups in the Civil War era, and they comprised nearly 10 percent of all Union troops. Yet little attention has been paid to their daily lives--both on the battlefield and on the home front--during the war. This collection of letters, written by German immigrants to friends and family back home, provides a new angle to our understanding of the Civil War experience and challenges some long-held assumptions about the immigrant experience at this time. Originally published in Germany in 2002, this collection contains more than three hundred letters written by seventy-eight German immigrants--men and women, soldiers and civilians, from the North and South. Their missives tell of battles and boredom, privation and profiteering, motives for enlistment and desertion and for avoiding involvement altogether. Although written by people with a variety of backgrounds, these letters describe the conflict from a distinctly German stand-

point, the editors argue, casting doubt on the claim that the Civil War was the great melting pot that eradicated ethnic antagonisms.

Opposites resist--and attract--under the Cancún sun in this emotional Accidental Billionaires novel by New York Times bestselling author J.S. Scott. Years ago, Noah Sinclair promised his dying mother that he'd stay strong and work hard for his younger brothers and sisters. Even with the Sinclairs' newfound wealth, Noah has never steered from that blue-collar drive. His siblings think it's time--with the gift of a Cancún vacation. To Noah, being forced to relax isn't bliss. It's a chore. Especially under the watch of a beautiful family friend enlisted to make sure every laptop under the sun stays closed. All Andie has to do is convince a handsome billionaire to take a deep breath? It should be a dream for the bohemian travel writer. If Noah--a workhorse so resistant to change--weren't spoiling for a fight. But no matter how hard Noah pushes her away, Andie is pushing back. She promised she'd teach Noah to embrace every pleasure in life. It's a promise she made to herself once, too. What begins as a battle of wills becomes a chance for Noah and Andie to open their hearts and share their fears. Night after intimate night. It's the last thing they expected from Cancún, and it's what they need the most. Even if it isn't supposed to be forever.

From New York Times bestselling author J.S. Scott comes the final book in her captivating Wall Street Journal bestselling series... It has been a year since Brooke escaped to the lovely coastal community of Amesport, Maine, where no one knows her real name or what she's been through. Now she's finally heading back home to California. That means saying goodbye to Liam Sullivan, her millionaire blond god of a boss who's fulfilled every one of Brooke's fantasies. If only in her dreams... Liam has his fantasies, too--and he's not letting Brooke go. When he confesses his feelings, it opens the door to an incendiary romance that's been a long time coming. So has Brooke's own confession: that the woman Liam is falling for has been living a lie. But there's a secret about Brooke that even she doesn't know. When it's revealed, it'll put a whole new spin on her past, her future with Liam, the true meaning of family, and the rewards of following her heart.

Heart Of The Billionaire (The Billionaire's Obsession Sam) GENRE: Adult Contemporary Steamy Romance Author Note: This novel is the complete story of Sam and Maddie, but reading The Billionaire's Ob-

session - The Complete Collection (Simon and Kara's story) first is highly recommended to enhance your reading pleasure. Sam and Maddie are here! Billionaire Sam Hudson has pretty much lived his life with no apologies because he tries never to do anything that he's sorry about...except for what he had done in the past to Dr. Madeline Reynolds. Many years and regrets later, Sam meets up with Maddie again by chance; his brother Simon is marrying Maddie's best friend and the two of them are forced to be civil. But Sam wants to be more than polite, and he wants another chance to make things right, so he offers Maddie a bold proposition, an offer he knows she'll have a very hard time declining even though she hates him. Dr. Madeline Reynolds adores her best friend Kara and her fiancé Simon, but being forced into the company of Sam Hudson, because they are both in Simon and Kara's wedding, is pure torture. She's hated Sam for years, but when he offers her a bargain, something near and dear to her heart, she's torn between her dislike for the man and the offer of something she's always desperately wanted. Once, Sam Hudson nearly destroyed her, but Maddie discovers that sometimes things aren't always what they appear to be. Is Sam really a devious heartbreaker, or is there something more to him beneath the surface? Can two people with so many years of hurt between them learn to trust each other again? Please note: This is a steamy romance and not appropriate for YA readers. The book contains steamy love scenes, language and situations not appropriate for YA readers.

After one look at his girl, Colton shows just how much of an Over-The-Top possessive alpha he really is. SAFE, no cheating, and a sweet HEA that will have you grinning and blushing! Enjoy!

When Harper's sister goes missing, she approaches an old flame for help--wondering if she might still harbor feelings for him--but finds herself falling for his twin brother instead.

For decades, Markus Wolf was known to Western intelligence officers only as "the man without a face." Now the legendary spymaster has emerged from the shadows to reveal his remarkable life of secrets, lies, and betrayals as head of the world's most formidable and effective foreign service ever. Wolf was undoubtedly the greatest spymaster of our century. A shadowy Cold War legend who kept his own past locked up as tightly as the state secrets with which he was entrusted, Wolf finally broke his silence in 1997. Man Without a Face is the result. It details all of Wolf's ma-

yor successes and failures and illuminates the reality of espionage operations as few nonfiction works before it. Wolf tells the real story of Gunter Guillaume, the East German spy who brought down Willy Brandt. He reveals the truth behind East Germany's involvement with terrorism. He takes us inside the bowels of the Stasi headquarters and inside the minds of Eastern Bloc leaders. With its high-speed chases, hidden cameras, phony brothels, secret codes, false identities, and triple agents, Man Without a Face reads like a classic spy thriller--except this time the action is real.

Like his brothers and sisters, Seth Sinclair went from blue-collar to billionaire overnight, and he's decided to invest in what he knows best: construction. There's only one thing in his way -- the endangered birds nesting on a piece of prime beachfront real estate. And fighting for the birds is Riley Montgomery, a stubborn, pain-in-the-ass, drop-dead-gorgeous environmental lawyer. The worst part? Seth will do anything to keep her around -- even if it means hiring her to be his fake girlfriend.

Published at a time of unprecedented growth of interest in translation, the Dictionary of Translation Studies aims to present the insights of a number of different approaches to translation in an unbiased, non-partisan way. With more than 300 articles, this essential volume provides the reader with a snapshot of a rapidly developing discipline, based on work produced in several languages. With a clear, easy-to-follow layout, the Dictionary provides a comprehensive and highly accessible survey of key terms and concepts (such as Abusive Translation, Equivalence, Informationsangebot, Minimax Principle, Texteme and Thick Translation), types of activity (Autotranslation, Dubbing, Signed Language Interpreting), and schools and approaches (Leipzig School, Manipulation School, Nitra School). Each term is presented within the context in which it first occurred and is given a definition which is both clear and informative. Major entries include a discussion of relevant viewpoints as well as comments on how the usage and application of the term have developed subsequent to its coining. In addition, all entries provide suggestions for further reading, and there is an extensive bibliography included at the end. This is an indispensable tool for anyone studying or teaching translation at university level.

Billionaire Caleb Blackstone lives in the glamorous world of wealth and success, with every material luxury. But the moment he sees Brooke Casterley, none of that mat-

ters. Caleb is filled with a raw, undeniable need that he can't ignore...for a girl who is so completely different from everything and everyone he's ever known. Only Brooke isn't looking for love. She knows all too well just how much damage the wrong guy can do. Still, what sane, broke British girl can resist the charms of an incredibly sexy, chivalrous billionaire? What starts as flirtation quickly turns into all-consuming passion. Nothing could have prepared her for the searing heat of Caleb's touch--or just how much she craves him. Their whirlwind romance is the stuff of high-society fantasy--but for every moment of pleasure, there is a cost. Past mistakes and tragedy shadow them both...and falling for him might be the kind of trouble she can't afford.

Billionaire Max Hamilton thought he was finally starting to find contentment, more than two years after losing his wife Mia in a tragic drowning accident. He'd been reunited with a sister he hadn't realized existed. Finally he had family again, a reprieve from the pain and loneliness that had haunted him since his devastating loss. Yeah...he was as happy as a man could be, considering he had lost the other half of his soul and most of his heart when fate had torn his wife away from him. Or so he believed...until the day he rescued a mysterious woman in the park, a female who somehow had managed to reignite a part of him that he thought was long dead... Suddenly, Max's protective, dominant, possessive male instincts flare to life, leaving him at a loss as to how lightning could possibly strike twice in one lifetime. Is he truly being given another chance at real happiness, or would it be dangled in front of him, only to be taken away once again? Find out by reading *The Billionaire's Salvation*, Book 3 in The New York Times Best-selling series, *The Billionaire's Obsession*. This is a complete contemporary erotic romance novel with no cliffhangers!

Lauren: Graham is my brother's best friend. He's always been my protector and my confidant because he accepts me the way I am--and not many do. I can't imagine not having him in my life. Our weekend together was supposed to be a celebration. I graduated from college, Graham got engaged and signed with a pro football team, and my brother landed his dream job. It should have been the best time of our lives. Except that the weekend started with me walking in on Graham's fiancée going down on my brother. I complicated the situation by having sex with Graham after that, but I wanted to comfort him and, damn, when I saw desire in his eyes--for me--I couldn't say no. I've wanted him for so long. Now he doesn't want to see me.

He says he has a darker side he needs to protect me from. Where do we go from here? Do I try to pretend to be his friend again or push him to open up to me and possibly lose him forever? Graham Sleeping with one of my best friends was not exactly a brilliant idea. It made things complicated, and I didn't do anything that threw my life into chaos. The fiancée her brother Jack, had stolen had been part of my life plan, one more step I was taking to be somebody. Granted, I hadn't been in love with my intended bride, but I didn't really know how to love anybody. I survived. I pushed to achieve more. I battled my way to the top of the heap in my pro football career.. I'm a total dick, and I don't want Lauren to see the side of me that would trample over anybody to work my way up in the world. Lauren sees me as a hero, a title I'd never gain with anybody else in my life, so I wanted to keep her sheltered from the hard realities of my life. I wanted her to continue to think I was a nice guy when I was really just the opposite. We never should have crossed the line of going from friends to lovers. There's too much Lauren doesn't know about me, and I care enough about her that I don't want her to share my pain and the darkness that never sees daylight inside me. I want her, but she's a woman I can never have. She's too smart, too sweet, and way too good for a guy like me. Unfortunately, pushing her away becomes much more difficult than I'd planned...

Pedro Juan Gutierrez's bestselling novel, *Dirty Havana Trilogy*, was hugely acclaimed for its honest depiction of a Cuban capital characterized by sleaze, sex, poverty and hedonism. In *The Insatiable Spider Man* we see the return of its anti-hero, who is again prowling the streets of Havana. Pedro Juan's relationship with his wife, Julia, is in terminal decline. He can no longer bear kissing her on the mouth and the trappings of domestic bliss hold no charms for this most restless and predatory of men. Our narrator's interests lie elsewhere: in the infinite possibilities of a chaotic Caribbean city and many chancers, artists and prostitutes who roam the streets in search of fresh experience. Pedro Juan Gutierrez again takes the reader on a journey into the underbelly of contemporary Havana - a world of easy sex, hard drinking and humorous anecdotes, that will be all too recognizable to the Gutierrez connoisseur.

Kara Foster, estudiante de Enfermería y camarera a jornada completa que pasa una mala racha, recibe un duro golpe a su situación económica, ya desesperada, que con toda seguridad la dejará viviendo en

la calle. Kara necesitará nada menos que un milagro para salvarse y es rescatada por alguien desconocido, improbable y abrumador. El multimillonario Simon Hudson le hace una oferta imposible de rechazar, pero le aterra aceptar algo así de un hombre al que no ha visto nunca. ¿Será el macho alfa, guapo y multimillonario la verdadera solución a sus problemas, o terminará convirtiéndose en una complicación y un riesgo para su salud emocional? El multimillonario solitario Simon Hudson preferiría pasar el tiempo delante de un ordenador creando videojuegos que codeándose con la élite. Sabe exactamente lo que quiere hasta que conoce a Kara Foster. Algo en ella le llega de un manera que no ha experimentado nunca, y no le gusta nada. Durante más de un año, Simon vigila a Kara, pero se niega obstinadamente a reconocer su deseo de poseerla, ni siquiera a sí mismo. Pero cuando ella se ve en una situación que bien podría acabar con su vida, Simon se ofrece a ayudarla, sin percatarse de que al salvar a Kara, podría estar salvando su propia alma. (Esta novela es un romance erótico. Contiene lenguaje gráfico, escenas amorosas muy tórridas y muchas emociones).

His professional football career over due to a tragic accident, billionaire Kade Harrison takes on the task of solving a mystery for his brother-in-law and friend, Max Hamilton. Without his former career to fill every minute of the day, Kade's looking for something to challenge him--now that he's lost the career that had meant everything to him. But what starts out as a simple favor soon becomes a whole lot more than he bargained for when the woman he's seeking slips away from him every time he gets close to finding her. When Kade does finally corner her, things start to get even more complicated. Asha Paritala is nothing like he expected, and the female he had tracked down as a favor for Max soon becomes a woman he wants for his very own, a woman who makes protective and highly predatory instincts he didn't know he had flare to life inside him. Kade soon discovers that he wants Asha's total surrender to the desire and passion that vibrates intensely between the two of them, but he also wants her trust, the one thing Asha's history makes it difficult for her to give. Can Kade convince her that some things are worth risking it all? Caught between two worlds, Asha Paritala is homeless, broke and damaged from a life of abuse and neglect. Born of an American mother and an Indian immigrant father, Asha was raised as an Indian woman by a foster family after the death of her natural parents when she was little more than a baby. She's spent her entire life under the con-

trol of others until finally breaking free two years earlier, and she's determined to keep her freedom, even if it means she has to struggle to survive. But when she meets Kade Harrison, her resolve is tested. After Kade helps her through a bad situation, she finds herself beginning to trust Kade as she's never trusted a man before. Kade is everything she always thought a man should be, but can she lose herself in him completely when she knows she's damaged and confused.

After four years of working for "the billionaire boss from hell" Ally Caldwell thinks she finally has her life on the right track. Her fiance is out of dental school, ready to go to work at a thriving practice, and it would finally be her turn to go back and finish her college degree. Unfortunately, her carefully planned future crumbles when she finds out that her fiance, the man she'd nearly killed herself to help get through school, has been cheating on her. With her wedding looming in the near future, Ally's blindsided, realizing she'd never even knew the man she'd been planning to marry. Suddenly, her carefully organized life is turned upside down, and not one single thing is turning out the way it was supposed to happen. Even her boss, Travis the Tyrant, is beginning to act differently, throwing Ally into an even more confused and chaotic state of mind. Travis, the one man who she'd always counted on to be a jerk, was now the guy who actually steps up to try and help her straighten her life out again. Unfortunately, she doesn't much care for his highhanded arrogance or his methods of "helping." Ally wants to hate Travis. It makes her life so much simpler to fight with him than to admit to the combustible chemistry growing between the two of them. But as she begins to see more and more of the real Travis beneath his dark facade, she can't seem to resist the dangerous lure of their unlikely attraction. Billionaire Travis Harrison does everything he possibly can to repair the Harrison name after a scandal nearly destroyed his family years ago. He makes sure he keeps himself and his actions in check, his emotions buried under a thick layer of ice. Only his secretary and assistant, Alison Caldwell, makes him come close to losing his carefully constructed image. The obstinate female keeps shoving him closer and

closer to the edge of sanity every single day. But when he finds out about her fiance's betrayal, his protective instincts roar to life inside him, making him want to ensure she's never hurt again. The only problem is...Ally doesn't want his help, and the infuriating woman does everything she can to push him away, even as the two of them are swept into an undeniable passion that neither of them can possibly ignore. Before long, Travis finds himself in ruthless pursuit of something much more important and elusive than just a business deal. Can these two very different, very stubborn people actually be meant to be together? Find out if Travis and Ally can let down their defenses and surrender to a love so powerful it will rock them to the depths of their souls in *Billionaire Undone*, Book Five of *The Billionaire's Obsession* series. 18+ only

From Wall Street Journal bestselling author J.S. Scott. A-list movie star and billionaire Julian Sinclair learned from past tragedy that life doesn't come with multiple takes. Now that he's figured out what he wants—in the lush form of redheaded Kristin Moore—he's got one chance to claim it. Between working as a medical assistant and filling in at her parents' bar, Kristin has no time for pleasure. So Julian is bringing her to his brother's Vegas wedding, where their mutual attraction can finally get a starring role. What happened in Vegas has followed Kristin right back to Amesport, Maine. In the space of one magical weekend, the leading man in all her X-rated fantasies whisked her off to Sin City for breathtaking sex, followed by an "accidental" marriage she doesn't remember. Kristin fully expects Julian to demand a quickie divorce. But instead he's daring her to go all-in. To gamble everything on a love that might be too good to be true...or the best, wildest adventure of their lives.

Fans around the world adore the bestselling No. 1 *Ladies' Detective Agency* series and its proprietor, Precious Ramotswe, Botswana's premier lady detective. In this charming series, Mma Ramotswe—with help from her loyal associate, Grace Makutsi—navigates her cases and her personal life with wisdom, good humor, and the occasional cup of tea. Mma Precious Ramotswe is content. Her business is well established with many satisfied customers, and in her mid-thirties ("the finest

age to be") she has a house, two adopted children, a fine fiancé. But, as always, there are troubles. Mr. J.L.B. Matekoni has not set the date for their marriage. Her able assistant, Mma Makutsi, wants a husband. And worse, a rival detective agency has opened in town—an agency that does not have the gentle approach to business that Mma Ramotswe's does. But, of course, Precious will manage these things, as she always does, with her uncanny insight and her good heart.

Dante Sinclair never cared about his family's money. All the young billionaire ever wanted was to be a cop; and now that he's a homicide detective in Los Angeles, he's a damn good one. But when he is injured and loses his partner in the line of duty, he returns to his vacation home in Amesport, Maine, to recover. Sarah Baxter, a brilliant young doctor still struggling with her stifled upbringing, has recently moved from Chicago to sleepy Amesport to escape her past, hoping to find peace. When Sarah is assigned to Dante's case, there's an instant heat between them. They couldn't possibly be more different, yet their igniting passion is impossible to ignore. As new feelings awaken within Sarah, her haunted past returns, threatening her once again. But can Dante overcome his grief and discover the secrets Sarah is hiding in time to protect and rescue her?

A Wall Street Journal bestselling series. Former rock star Xander Sinclair may be out of rehab, but he's not out of the woods. Still haunted by his parents' murders, he has secluded himself in his Amesport mansion and dodges any attempted contact from his two brothers. Struggling not to fall into relapse, he believes he's battling his demons alone. That is, until Samantha arrives to work as his live-in housekeeper. Effortlessly charming and cheerful and wickedly sexy, she challenges Xander to abandon his isolation. The two embark on a fiery relationship—one that could change them both forever. Just when Xander is on the verge of reclaiming his life, he discovers that Samantha has been hiding things from him...things that could shatter the fragile future they've begun to build together. For Xander, escaping the past is no longer an option. It's time to face it—even when some secrets seem too heavy for the heart to bear.
