Feeling Anxious Social Stories - Happy Learners Feeling safe - rights4children

All children and young people have the right to feel safe. This has been the law in England since 1889! That's when Queen Victoria was on the throne! These days, there are four main laws that link to your right to feel safe: Children and Young Persons Act 1933 - this says that child cruelty and neglect are crimes.

Feeling Happy, Feeling Safe: Elliott, Michele ...

Feeling happy and safe Sometimes you might feel worried or sad. Many kids feel the same way. These tips might help you to feel better. Remember, you can always ask for help if you feel worried or have a problem. Think of three adults you can talk to if you have a problem. Your teacher can be one of them. Write their names below. Remember

Basically, these feelings intensify when you have to face a situation that is inherently risky or unknown. The fundamental need to be protected also increases if you're in a fragile emotional state. In moments of insecurity, desperation, or anxiety, you feel a greater need for people and places that make you feel safe.

Feeling safe means being self-assured and ditching the self-doubt. It means waking up in the morning and deeply knowing that you deserve to live in a safe space and have the happiness that it brings. Feeling safe is the ultimate goal of psychotherapy or any other means of self-exploration. Steps to Feeling Safe:

Feeling Happy, Feeling Safe is a series for pre-school children to watch with parents, carers or professionals. Each short film is de-

signed to open conversations about emotions and safety, and supplies discussion questions. Feeling Happy "Feeling Happy" introduces the idea of talking about feelings. It shows a happy scenario: a birthday party.

Feeling safe in HAPPY VALLEY 8 years ago Melissa Lindsey For those who reside in Utah County, also known as Happy Valley, the characteristics that differentiate this part of Utah from the rest of the state and the rest of the country may be hard to notice, but to the rest of the world, Happy Valley is very peculiar.

Unlike most cats, tigers cannot purr. When they want to show that they're feeling happy or safe, they will squint or close their eyes. Tigers don't like surprises, so closing or squinting their eyes loses or lowers their visual defenses. Therefore, they will intentionally give up their visual advantage only when they're feeling safe or comfortable.
