Four sociologies, multiple roles Quah, Stella R. 2005-09-01 00:00:00 The current American and British debate on public sociology introduced by Michael Burawoy in his 2004 ASA Presidential Address (Burawoy 2005) has inadvertently brought to light once again, one exciting but often overlooked aspect of our discipline: its geographical breadth. Sociology is present today in more countries around the world than ever before.

the challenge of public sociology is to engage multiple publics in multiple ways. These public sociologies should not be left out in the cold, but brought into the framework of our discipline. In this way we make public sociology a visible and legitimate enterprise, and, thereby, invigorate the discipline as a whole.

In this circuit lies the key role of sociology. According to Professor Sułek, the best way of realizing this is “sociological writing” – texts meant not for other scholars but for a mass readership. This should not, however, be confused with the role of “media sociologists” appearing on TV, who resemble more celebrities than scholars.
