For the pink gum paste in this tutorial, we used a tiny amount of Americolor Soft Pink coloring gel. The petal dust here is from Cosmos by CK Products. (The colors in these images haven't been changed or lightened.) In the center of the flower, dab color to make it a little darker than the rest of the flower.

Once your petals have dried, preferably overnight, the flower is ready to assemble. Using your pre-made wired flower center (please see "How to make a Wire Flower Center" tutorial on how to make the flower center) you will need to unwrap some floral tape and activate the tape by pulling it.
