This major new work brings together the world's leading party theorists to provide an unrivalled resource on the role of parties in the pressing contemporary problems of institutional design and democratic governance today.

SAGE Reference—Handbook of Party Politics

This chapter examines the emergence, roles, and meanings of 'party' within British politics from the late eighteenth century to the present day. It traces the transition from 'mixed' government to 'parliamentary' government and ultimately to 'party' government. The altered function and nature of political parties within these shifting constitutional contexts is assessed.

Political Parties—Oxford Handbooks

Political parties are indispensable to democracy and a central subject of research and study in political science around the world. This handbook maps the developments in party politics scholarship. It also addresses some topics to be addressed in nationally or regionally specific ways.
