DEO - CASSIDY MACIAS

Las Vegas...it's the town that lives up to the promise of its nickname, Sin City. A gamblers' paradise for innocent tourists, it conceals a darker, sexual world where the ethereal and wraithlike meet to play a different game... If there's one thing succubus Deitre understands it's revenge. That, and enticing men into arousing, exciting and, okay, perilous sex (for him). Beautiful on the outside, demon on the inside, she's going to get back at the naughty firefighter in Darkness...unless he plays his cards right... Bounty hunter Nell is a hell of a tracker. Now she's in Vegas on the tail of the witch who dared to steal from her clan. She's going to get to the unsavory harlot through the woman's ex-fiancé, and nothing about their charged encounters will be shallow, quick or friendly. When the half-blood fae male comes to club Darkness, Elena can't resist acting on the mind-blowing heat coursing between them. She might be betrothed to another, but fae culture says sex with other men until marriage is most definitely foretold. Tattoo artist Devi is the latent vampire the warlocks need to heal all wounds. But taking her

power is a sexually exhausting and dangerous task requiring dark deception...and gambling on her life.

Twin sisters separated by the past are reunited by unspeakable crimes in New

York Times bestselling author Mary Burton's throat-clutching novel of suspense... Trauma victims are not new to medical examiner Faith McIntyre, but this one is different. The unconscious woman clinging to life after a hit and run is FBI agent Macy Crow. What the woman from Quantico was doing in a dark alley after midnight is just one mystery. The other is more unsettling: Macy is Faith's mirror image--the twin sister she never knew she had. Faith knew that she was adopted, but now she's finding that her childhood concealed other secrets. Following the trail of clues Macy left behind, Faith and Texas Ranger Mitchell Hayden make a shocking discovery on an isolated country ranch--a burial ground for three women who disappeared thirty years before. They weren't the only victims in a killer's twisted plot. And they won't be the last. As the missing pieces of Faith's and Macy's dark lives snap into place, Faith is becoming more terrified by what she sees--and by what she must do to save her sister and herself from the past.

In the vein of *The Couple Next Door*, a debut psychological thriller about a woman who moves with her family to the gothic seaside house where her husband grew up -- and where 15 years ago another family was brutally slaughtered. For Sarah and Patrick, family life has always been easy, until her mother's death sends Sarah spiraling into depression. When she overdoses on sleeping pills, Sarah insists it was an accident, but neither Patrick nor their teenage children believe her. Determined to give their family a fresh start, Patrick convinces her to move back to the idyllic beachside home where he grew up. But there's a catch: The once-beautiful old house is now known as the Murder House. It has been standing empty for fifteen years,

ever since another family was brutally slaughtered within its walls. Nostalgic for his childhood, Patrick is adamant that this can be their "dream home" again. Sarah tries to bring it back to its original warmth, but as locals hint that the house is haunted, the children begin having nightmares, strange writing appears on the walls, and creepy "gifts" suddenly arrive on the doorstep at odd hours. With the news that the murderer has been paroled, Sarah can't shake the feeling that something just isn't right. Not with the house, not with the town, not even with her own loving husband--whose stories about his perfect childhood suddenly aren't adding up. Can Sarah uncover the secrets of the Murder House before another family is destroyed? With an irresistible, fog-drenched atmosphere that hides its knife-sharp twists, Vanessa Savage's *THE WOMAN IN THE DARK* is the perfect new read for fans of *I Let You Go* and *The Couple Next Door*, a chilling psychological thriller about a dark family dysfunction and the secrets that haunt us.
