About Human Anatomy Made Amazingly Easy From head to toe, the human form, in all its complexities, is visually simplified to such a degree in this remarkable workbook that even complete beginners will soon be able to draw accurate, well-proportioned faces and figures every time they try.

Human anatomy is perhaps the most difficult of forms for the beginning artist to capture. Hart simplifies the process in an accessible manual that concentrates on line and forgoes the complexity of color. The book suffers, however, from the nature of Hart's past work.

Human Anatomy Made Amazingly Easy

This book, Human Anatomy Made Amazingly Easy, is my favorite of the three. It was also the least expensive, considering that the book can currently be had, used on amazon, for only the shipping cost plus one penny. I paid the amazon retail price for the other books. This book is on the thick side for a Hart release. It is useful and intuitive to use.
