In Illusions, the unforgettable follow-up to his phenomenal bestseller Jonathan Livingston Seagull, Richard Bach takes to the air to discover the ageless truths that give our souls wings: that people don't need airplanes to soar...that even the darkest clouds have meaning once we lift ourselves above them... and that messiahs can be found in the unlikeliest places--like hay fields, one-traffic-light midwestern towns, and

most of all, deep within ourselves.

Illusions: The Adventures of a Reluctant Messiah is a novel by writer and pilot Richard Bach. First published in 1977, the story questions the reader's view of reality, proposing that what we call reality is

merely an illusion we create for learning and enjoyment. Illusions was the author's followup to 1970's Jonathan Livingston Seagull

Having read Jonathan Livingston Seagull from Richard Bach before, I had some expectations about the book, and it didn't disappoint me at all. Cons: Nothing much. The book has these pages once in a while with a quote from the "Handbook" some of which are super awesome, while some won't make sense in the first reading.
