Intellectuals and Society Quotes by Thomas Sowell

Intellectuals and Society is a non-fiction book by Thomas Sowell. The book was initially published on January 5, 2010 by Basic Books. Intellectuals are defined as "idea workers" that exercise profound influence on policy makers and public opinion, but are often not directly accountable for the results. Intellectuals and Society examines the record of these idea work-

ers and the conditions, methods and incentives driving their points of view that, according to Sowell, have often resulted in disaster

The key to understanding what Thomas Sowell means when he talks about intellectuals is that intellectuals are not simply "thinking people." Intellectuals are people

whose *end product* is simply an idea, and this idea is not subject to traditional real-world validation processes, but is subjected to the weaker form of validation known as peer review.

LSE Review of Books

On the occasion of the publication of a new edition of his book *Intellectuals and Society*, Thomas Sowell returns to *Uncommon Knowledge* for a wide-ranging int...

It has always been a mystery who so many people are swayed by passionate but dishonest left-wing intellectuals who may be specialists in one sphere but are automatically believed when they expatiate on subjects they know nothing about, like the hard-up freelance journalist Karl Marx on the nature of capitalism, or Bertrand Russell who was a brilliant mathematician and yet wrote many other popular books as if he were an expert on everything.

Intellectuals are people whose *end product* is simply an idea, and this idea is not subject to traditional real-world validation processes, but is subjected to the weaker form of validation known as peer review.

Intellectuals and Society by Thomas Sowell

As this passage from the preface of Thomas Sowell's book *Intellectuals and Society* suggests, we currently live in an era where intellectuals have immense influence. With that being said there have been few examinations of the role that intellectuals have played in course of

societal development over the past several generations.
