FE6 - LEBLANC YATES

Life skills are behaviors that enable individuals to adapt to and deal effectively with the demands and challenges of life. There are many such skills, but core life skills include the ability to:

- Make decisions, solve problems, and think critically and creatively
- Clarify and analyze values

Life skills are a comprehensive set of universal cognitive and non-cognitive skills and abilities, connecting behavior, attitudes, and knowledge, which youth can develop and retain throughout their lives. Life skills increase young people's well-being and help them to develop into active and productive members of their communities.

They are various types of life skills which have been identified by agencies such as WHO, UNICEF etc. Any life skills education programme has two parts i.e. information and, skill development. There are ten core life skills, which have been identified. World Health Organisation (WHO) has categorized them into three components.

Life skills | UNICEF South Asia

Life skills are generic skills, relevant to many diverse experiences throughout life. They should be taught as such, to gain maximum impact from life skills lessons. However, for an effective contribution to any particular domain of prevention, life skills should also be applied in the context of typical risk situations. 23.

Partners in Life Skills Education – World Health Organization

The National Life Skills Education Framework (NLSEF) is a comprehensive document. It encompasses children and youth and it addresses issues for those in school as well as out-of-school. It takes into account the needs and attitudes of the people of Tanzania, and incorporates ideas from external best practices in the region and elsewhere.

NATIONAL LIFE SKILLS EDUCATION FRAMEWORK

UNICEF defines life skills as knowledge, attitudes and the ability for adaptive and positive behaviour that enable individuals to deal effectively with the challenges of everyday life. 1 For the purposes of this discussion, life skills are divided up into three main categories: Communication and Interpersonal Skills
