In a typical campaign, characters aren't driven mad by the horrors they face and the carnage they inflict day after day, but sometimes the stress of being an adventurer can be too much to bear. If your campaign has a strong horror theme, you might want to use madness as a way to reinforce that theme, emphasizing the extraordinarily horrific nature of the threats the adventurers face.

Matthew Bellamy's voice (lead singer) and the backup vocals are amazing in this song. The dynamics of Madness is well-done: It's mellow and smooth, even-paced, easy-listening, it crescendos, it tells a story of love and loss and self-realization without the anger and attacks, and is a diversity of musical arrangements that completes the song.
