Part one covers the early days of sissy maid missys travels to becoming a sissy maid to a lovely Governess, Sofia, and missys own sister, Christy. My story begins on a Farm in Pennsylvania where missy grew up as Mitchell. Mitchells early behavior and punishments are covered; while Mitchell experienced plenty of attention from his fathers strap, a big long thick strap. Highlighted other events of Mitchells growing years also include a couple of very humiliating punishments as well as the sadness of a DEATH TOO SOON. That DEATH TOO SOON; set Mitchells life in motion to become a sharpshooter and gun slinger like no other the West had ever seen before, or after. The story continues with Mitchell and his family taking a train to the famous Dodge City, where Mitchell actually met Wyatt Earp, Doc Holliday, and Bat Masterson. That was the highlight of Mitchells life at that point in time. However, it would not be the last time they met. Then it was onto the wagon train; to Tombstone Arizona. While in the wagon train, Mitchells behavior became uncontrollable and he kept getting himself punished. While at the same time; Mitchells gun handling ability saves the lives of others and make Mitchell the most unlikely hero. Finally, as Mitchells parents tire of his poor behavior, they resort to hiring an English Governess to teach Mitchell how to behave and to obey. The Governess takes Mitchell down the path to obedience the old fashion English way; in the form of petticoat punishment and the cane. The Governess changes Mitchell into missy! My story continues as the family settles in Tombstone where Mitchell, since converted to missy, becomes THE FIRST SISSY MAID of the West in Tombstone, Arizona.

We left off in the last book, THE TRUTH WILL SET YOU FREE???? with a not guilty verdict in a murder case and later, a spanking from Cally at home. I was looking forward to getting back to my nice quiet life at home being Cally's maid and being Cally's husband. To me that was better than going out of the house for most any reason. However, our lives just don't seem to be following my desires as before a week was over, David called Cally with another murder case where he was at a loss to formulate any defense for his client, Oliver. So, Cally and I interviewed Oliver, the accused, believed he was innocent and took on the challenge to find the truth that could set Oliver free. The case did not turn out the way we expected and that turned out very bad for me. Oliver went to prison and Cally punished me. But, I never give up and started over and tried to find the truth. I was determined to set Oliver free. One of the biggest surprises came with one of America's most decorated General's taking the witness stand; that was a real shocker. Then as life seems to be finding its own path, there were problems with milly and her sissy maid service to Molly. The FBI called and needed me to go undercover for them again to stop a policemen from sexual misconduct. Cally and I had a good time helping out this time. One day I was sitting there in the courtroom wondering where my normal life went; when I remembered what a very famous American once said. DOC HOLIDAY, in response to Wyatt Earp one day told Wyatt; "There is no normal life, there is just life" So, I seem to be finding out. My life has turned into a fairy tale. The fairy tale continues; the sissy maid missy bad boy series.

A collection of good, bad, and special characters having; LIFE

I made him beg until the tears were streaming down his face, and then he said the magic words that any good dominating wife loves to hear. "Honey I will do anything"

All the Elle Mesen sissy maid books in one collection. Save 20% by buying them together. Book 1: When a beautiful young lawyer discovers her boyfriend dressed in satin and pleasuring himself to a forced feminisation video, she immediately terminates the relationship. Penniless, and with nowhere else to go, the ex-boyfriend must accept the only option available - to work as her live in cleaner. Forced to serve her while she starts dating, he soon learns that his duties go far beyond those of any cleaner and is soon her sissy maid. Not content with his work at home, his ex-girlfriend sends him to work as a secretary for Charles Davant, a local businessman with a reputation for a firm hand but an open employment policy for transgender girls. Thus the plot is set for a series of events in which our unnamed protagonist experiences forced feminisation, and scores the BDSM triple whammy of cuckold, sissy maid and total submission both to a mistress and master. Alternatively titled 'La Vengeresse,' this erotic novel offers the reader unprecedented quality in plot, humor and erotic thrills within the genre of gender variant fiction. This work not only explores the feminisation experiences of the young man, but is a fascinating portrait of a woman who learns that she enjoys the art of feminine domination (femdom) and the humiliation of men. Book 2: When Harriet falls for her beautiful lesbian colleague, Charlotte, her husband is sidelined. Unfortunately for the new couple, though, he's legally entitled to stay in the house and has no intention of leaving (and every intention of making life difficult.) When mysterious goings on are detected in their lingerie drawer, however, Charlotte begins to suspect something, and calls sissy hunter/dominatrix, Mistress Elle. After skillfully exposing him for what he is: a submissive sissy, Harriet's husband is duly humiliated, uniformed and instructed in his new role as a sissy maid. Utterly dominated by three strong women, he finds himself deep in feminization and frilly submission. Based on a true story, this gripping narrative takes you through the entire method by which Elle Mesen identifies, exposes and trains sissy maids. It features strap-on humiliation, forced feminization, curtsyng, and all the minutiae of a maid's life from regulation nightwear to milking schedules. Book 3: After his girlfriend leaves him, Jack enters therapy and learns to accept and embrace his submissive fantasies. After hearing about Elle Mesen Recruitment he applies for a part time position to fulfill his dream of being sissy maid to a black man that will dominate him and a strong woman who can serve up humiliation. However, despite the fact he seems to be moving forward, Jack's heart still lies with the girl that left him and the unresolved sexual issues which broke them. Not understanding just what submission to Elle Mesen means, the young executive will soon face a cuckolding experience that takes him right back to the painful feeling of inadequacy that ruined his relationship. A powerful portrait of the contradictions that lie at the heart of cuckolding and transgender fantasy, this novella will excite you with its unrelenting narrative of feminization, female domination and interracial cuckolding. The second in our 'Sissy Maid' series, this book will stimulate your grey matter but should not be read in public as an embarrassing bulge is inevitable: you've been warned!

What if your husband no longer satisfied your needs in the bedroom, you could get rid of him or you could make him into a little sissy, this way you could keep him around for the household chores such as cleaning and laundry as you slowly took his manhood away from him and turned him into something far more less than a man. This would free you up to enjoy the attentions of more worthy manly specimens knowing that the house would be clean when you got home. You could dress him up so pretty and embarrass him in front of your friends and use him in ways that you probably had never thought of before. Well that is exactly what I did and here is his story.....

In her revealing tell all book Janice Parker sheds light on the unique relationship between sissy maids and their families. With her unique style she also gently probes the special platonic relationship that typically exists between a Mistress and her sissy maid. For good reasons most cross-dressers generally don't share their secret fantasy life with anyone. They tend to stay particularly hush-hush with their family members and they try desperately to keep them unaware of their activities. In Sissy Maid Family you'll find out what happens to Merri when her sister accidentally discovers her secret obsession with crossdressing and her intimate passion for maid service.

THE LAST WHITE SLAVE! PART ONE Based in real history comes a story like none ever told! A story of the old South; where bondage, domination, submission, and humiliation were real and not a game people played. An entertaining thriller which will; Educated you, Sadden you, Excite you, Anger you, Shock you, Make you cry, Maybe all at the same time. Hello; my name is Matthew Michael McCall III; this is my story. The story of my life as the last white slave. The story of the worst President in the history of the United States; A story about the Civil War; Abraham Lincoln's war; KING ABRAHAM LINCOLN!!!!!!!!!!!! KING Abraham Lincoln caused the needless murder and or maiming of over 700,000 Americans. My story; a love story of the unbelievable kind. A story with an explosive ending; you should be surprised. A story that suggests slavery was never outlawed in the United States; that's right the 13th amendment to the constitution Abraham Lincoln says was passed may not have been passed; Slavery may is still legal. KING Lincoln knew that; but what does a self-appointed KING care about the law? Not much as it turned out.

I guess this is a good place to end this book as once again; you are caught up with the most unusual life that Cally and I share with our unusual family. However, once again my life with Cally never seems to be dull anymore. In fact, my life with Cally has never been dull; it is just more exciting since we got married almost a year ago. Milly has been progressing very well as her sissy maid self under the direction of Miss T. As well; Molly seems to accept and even enjoy milly better now. Sabrina certainly enjoys sissy maid milly as she gets three days off each week now that she has milly to fill in for her. Sir certainly has brought a lot of excitement to the house and that excitement seems to still be growing as he seeks to dominate everyone in the house and not just us maids and Ally and Toni. Sir getting arrested certainly presents me with a big challenge as although I do not believe that he has actually committed a crime; I do believe that innocent people go to prison because people on juries do not believe that they should live their lives in any way unlike the way society demands of them. In other words, if they do not like what Sir did and the District Attorney says it was wrong, they just agree and give it no more thought. I disobeyed a direct order from Cally for the very first time. Cally let me know that that was unacceptable in a very painful and very humiliating way. I don't think I will make that mistake again, at least I hope not. Cally and I went to the most unusual place in South America in cooperation with Lloyds of London, the FBI, and Interpol; in an effort to find out why men were disappearing from FemDom Nation; a community of Dominate women and male submissives. FemDom Nation is sort of like a hotel for vacationing Dominate women and Submissive males. People from all over the world come there to enjoy their life style for a few days to a few weeks. Submissive men can go their alone or with a dominate female. Dominate women are welcome with or without a submissive male. It was really a neat place and Cally and I had a very nice

time. However our time was cut short as a result of Sir getting arrested, so we came home early and without meeting our objective in order to help out Sir and Ally. Cally and I need to go back again to complete our mission, but Cally decided to wait until after Thanksgiving.

When the boss of the airline looks to hire his first transgender girl, Jake gets an opportunity to become both a pretty flight attendant and a stunning she male escort. Book 2 : Sissy Maid to Satin-clad Waitress Miriam's best friend has a catering company which is famous for pretty waitresses who dress as traditional French serving girls. Book 3: Sissy Maid - Pornstar Wife Would you tell your best friend if you saw his fiancée in a porno film some years before he met her? Well where do you start, I mean I never started out with evil intentions in mind, though I have to admit that was exactly where I ended up. My name is Sally and I am a Dominant Wife, I know a few people would consider me an abusive wife, and I am fine with that except the only difference is that my husband actually enjoys me abusing him. It wasn't always like that, when I married Bob we were the typical married couple, we went on vacations together and built our nest egg together and all that normal stuff. We were married for about ten years before things started to change, and I never once thought that I would be in the position I am in today. Let us just say that I wear the pants in the family now

Well; I can sure say that my life did not turn out the way I expected. My life did not turn out how anyone would expect. I never thought that I would commit a crime and get arrested, but I did. I never thought that I would end up being a shemale sissy maid, but I did. I never thought that I would fall in love with and marry a lesbian, but I did. I never thought that I would live my life as a submissive to a dominate Lady, but I do. I never thought that I would become an attorney and save the innocent from going to prison, but I have. I never thought that I would be able to look at someone and ask a few questions and know what was wrong with them and save their life, but I have, several times. I never thought that I would infiltrate the Russian Mob and save the lives of 39 young ladies, but I did. I never thought that I would be in a position to help the FBI, Interpol and Lloyds of London solve kidnapping crimes, but I have. I never thought that I would become a psychologist, but I have. I never thought that I would marry a financial genius that would make me almost 50 million dollars in less than 4 years, but I did, I never thought that my life would be so diverse and exciting in many different ways, but it is. Just in the past 6 weeks alone; I have saved the life of Molly, my mother in law, I saved a family of 11 from needing to sell 10 of their kidneys just to survive, I calmed the minds and hearts of Mindy, Toni, Sabrina, and Cally concerning the newest member of our unusual family concerning the arrival of a real dominate ALPA male who Ally brought home and fell in love with, I was working with the FBI, Interpol, and Lloyds of London in solving the kidnapping of 8 men, I took on a criminal case involving Allys new Love; whereas he was arrested for caning a young lady in a BDSM relationship. This case will become very interesting in the future, but it concerns everyone who practices any part of BDSM; you will want to stay tuned for this outcome, I got to make love to one of the smartest, the most pretty, the most Lady, the intelligent Cally; my wife. Just thinking about how much I love Cally brings tears to my eyes. I am the luckiest shemale sissy maid in the entire world!

This is the true story of how Alexa Martinez transformed her marriage by feminising her loving husband. The book explains how she took an already wonderful relationship and moved it to a different level by taking control and introducing a reluctant husband to a life of femininity. What began as an exciting bedroom game exploded into a programme of gradual enforced feminisation. The book describes the reasons and beliefs that guided her to take this path and the tactics she had to employ to turn an unknowing and unaware masculine man into a submissive housewife called Alice. Their marriage continues to be loving and affectionate but with Alexa in complete control and with her needs paramount. Although Alice has come to accept her new status as a girl, they haven't yet come out of the closet entirely and so she also writes about some of the barriers they continue to face in how she plans overcome them and also how to deepen Alice's feminisation and submission further still. She describes what it is that she expects from a femdom relationship and why she believes that males need to be feminised. Alexa Martinez is a writer who has produced several novels on the topic of femdom and forced feminisation under the pen name of Lady Alexa as well as a blog which covers the weekly life of living in a femdom relationship.

Then one day, just as I could take no more, I came upon a hormone cream that would let me change everything. This story is told in the first person by Mike's wife, and it includes female domination, forced feminization, hormones, tiny penis humiliation, cuckolding and a lot more.
