"Need You Now" is a song performed by American country music trio Lady

Antebellum. The band co-wrote the song with Josh Kear, and produced it with Paul Worley. It serves as the lead-off single and title track to their second studio album of the same name, and was first released in the US on August 11, 2009. The song also served as their debut single in the UK and Europe, where it was released ...

"Charles had a guitar thing and an opening line for a song and we wrote 'Need You Now' really fast and went, 'great, that was fun.' "It was the first day I'd ever spent with them. They went their separate ways: it was Charles wife's birthday, I went home to my wife.
