I've been a nurse for >30yrs and was asked to take Career Battery Test and failed .I don't think it is a good indicator of your abilities. There really isn't anyway to prepare, it's a lot of situation questions, and depending. on how you reply you pass or fail. Once you fail ,you don't get an interview. and you can't apply again to that hospital for 1 year. I just recently took the test as well ...
