### peakthebook.com - Home

Peak: Secrets from the New Science of Expertise by Anders Ericsson (Book Summary) Anders Ericsson is the world's leading scientist on elite performance and deliberate practice. His research involves finding expert performers who can reliably do things that others can't, and then figuring out how they're able to do it.

### Peak: Secrets from the New Science of Expertise by Anders ...

Peak explores how peak performers in music, athletics, and other fields develop their abilities. Through purposeful practice and the development of effective mental representations, nearly anyone can become an expert in whatever field they choose. The book shatters many illusions about expertise—chiefly, that it comes from genius or "natural" talent.
