An increasingly complex array of public, private and municipal bodies - as well as public police forces - are engaged in the provision of regulation and security. Consequently, it is difficult to think of security provision ...

In this article the main findings and conclusions are presented of an international comparative study on the pluralization of policing in five countries (England and Wales, Canada, Belgium, Austria, and the Netherlands). We focus on the question: what are the main differences and similarities in plural policing between these countries, and how can these be understood?

Plural Policing: A Comparative Perspective - Google Books

This volume takes a detailed comparative look at the development of plural policing, and provides the most up-to-date work of reference for scholars in this field. Edited by two of the world's leading authorities on policing, and including individual contributions from internationally recognised experts in criminology and police studies, this is the first ever volume to focus on 'plural policing' internationally, and to draw together empirical evidence on its developments in a formal ...

Plural Policing A Comparative Perspective. Trevor Jones & Tim Newburn. \$62.99; \$62.99; Publisher Description. Policing is changing rapidly and radically. An increasingly complex array of public, private and municipal bodies - as well as public police forces - are engaged in the provision of regulation and security. Consequently, it is difficult ...

Abstract. Description Policing is changing rapidly and radically. An increasingly complex array of public, private and municipal bodies - as well as public police forces - are engaged in the provision of regulation and security. Consequently, it is difficult to think of security provision primarily in terms of what the public police do, and so the terminology of 'fragmented' or 'plural' policing systems has become well-established within criminology and police science.
