The answers lie in a long-ago meteor strike, a World War II-era comic book (Fantastic Futures, starring the first superhero, Johnny Noble), the green-flamed Witch Fire, a hidden Shroud cave, and—possibly, unbelievably —“powerless” regular-kid Daniel himself. Superhero kids meet comic book mystery in The Supers of Noble's Green trilogy.

Powerless is the first book and Super is the second book of this delightful duology by Matthew Cody. The town of Nobles Green was visited by a mysterious glowing green meteorite many years ago. Since then, the children of that little town often get super-powers, only to lose them when they turn 13.
