SCUM Manifesto was considered one of the most outrageous, violent and certifiably crazy tracts when it first appeared in 1968. Valerie Solanas, the woman who shot Andy Warhol, self-published this work just before her rampage against the king of Pop Art made her a household name and resulted in her confinement to a mental institution.

28 SCUM MANIFESTO. scurity, evasiveness, incomprehensibility, indirectness, ambiguity and boredom are marks of depth and brilliance. "Great Art" proves that men are superior to women, that men are women, being labeled "Great Art", almost all of which, as the anti-feminists are fond of reminding us, was created by men.
