Sit Down and Shut Up: Punk Rock Commentaries on Buddha, God, Truth, Sex, Death, & Dogen's Treasury of the Right Dharma Eye is a book written by Brad Warner, an author and ordained Zen priest. The work serves as both an autobiography and an introduction to Dogen 's (道元) work Shōbōgenzō (正法藏), (Treasury of the Right Dharma Eye).

In Sit Down and Shut Up, Brad Warner tackles one of the great works of Zen literature, the Shobogenzo by 13th-century Zen master Dogen. Illuminating Dogen's enigmatic teachings in plain language, Warner intertwines sharp philosophical musings on sex, evil, anger, meditation, enlightenment, death, God, sin, and happiness with an exploration of the power and pain of the punk rock ethos.

[Hey. You. Sit Down and Shut Up. - The Bulwark](#)

Sit Down and Shut up is a pretty decent set of reflection on various topics, sex, death, greed, informed by the writings of the early japanese Zen teacher Dogen, author of the Shobogenzo, "Treasury of the Right Dharma Eye".
