A Vietnamese Bicycle Days by a stunning new voice in American letters. Andrew X. Pham dreamed of becoming a writer. Born in Vietnam and raised in California, he held technical jobs at United Airlines-and always carried a letter of resignation in his briefcase. His father had been a POW of the Vietcong; his family came to America as "boat people." His sister committed suicide, prompting Andrew to quit his job. He sold all of his possessions and embarked on a year-long bicycle journey that took him through the Mexican desert, where he was treated as a *bueno hermano*, a "good brother"; around a thousand-mile loop from Narita to Kyoto in Japan; and, after five months and 2,357 miles, to Saigon, where he finds "nothing familiar in the bombed-out darkness." In Mexico he's treated kindly as a *Vietnamito*, though he shouts, "I'm American, Vietnamese American!" In Vietnam, he's taken for Japanese or Korean by his countrymen, except, of course, by his relatives, who doubt that as a Vietnamese he has the stamina to complete his journey ("Only Westerners can do it"); and in the United States he's considered anything but American. A vibrant, picaresque memoir written with narrative flair and a wonderful, eye-opening sense of adventure, *Catfish and Mandala* is an unforgettable search for cultural identity.

An ancient form of meditative art, mandalas are complex circular designs that draw the eye toward their centers. This collection offers 30 images to captivate colorists of all ages.

The Mandala of Being shows us why and how we habitually obstruct our innate potential for what Richard Moss calls radical aliveness, a life of authenticity, overflowing energy, and joy. In th-

ese pages, Richard Moss gives us an effective practice that is readily incorporated into day-to-day life. It illustrates that there are in fact only four places our minds ever go when we leave the Now — the past, the future, judgments of ourselves, and judgments of others. It allows us to trace precisely the path we have taken away from our most authentic and essential being whenever we are not fully present, and simultaneously shows us the way home. Drawing from his profound self-realization and more than three decades of working with people of diverse backgrounds, Richard Moss accompanies and encourages the reader on a journey toward freedom from fear and any other limiting or threatening feeling. Deep self-understanding, inner ease, spontaneous healing, more fulfilling relationships, and enhanced creativity are all wonderful blessings that can arise from reading and reflecting on The Mandala of Being.

In a society that purges thirteen-year-olds who are creative, identical twins Aaron and Alex are separated, one to attend University while the other, supposedly Eliminated, finds himself in a wondrous place where youths hone their abilities and learn magic.

Mongolia is landlocked between its neighbors China and Russia in the heart of Asia. For centuries after the disintegration of Genghis Khan's empire it was ruled by one or the other, but in 1990 the Mongols embraced democracy. Now, after two centuries of Manchu stagnation and seventy years of Soviet communism, they are rebuilding their national heritage. Rarely in the news but making progress toward a market economy, this resource-rich but infrastructure-poor country is a land of pioneers, and its greatest asset is the Mongol people, who are friendly, cooperative, ambitious, and well educated. English is now the first foreign language and the country's leaders are forging new partnerships with inter-

national investors. Travelers from across the world are drawn to the land of blue sky by its picturesque mountains and lakes, flower-carpeted steppes and stony deserts, home to the snow leopard, the wild horse and camel, and the Gobi bear. The broad pasturelands, with herds of grazing livestock, and the traditional lifestyle of the nomads contrast with the busy streets of the capital Ulan Bator, a bustling metropolis of over one million people, modern hotels, apartments, and shops, interspersed with Buddhist monasteries and temples, surrounded by crowded suburbs of traditional felt tents. Mongolia's many attractions range from dinosaur skeletons and the remains of ancient civilizations to relics and reenactments of the Genghis Khan era, and the traditional sports of wrestling, archery, and horse-racing. "Culture Smart! Mongolia" provides rare insights into contemporary Mongolian society, and offers practical tips on what to expect and how to conduct yourself in order to get the most out of your visit. Despite the undeniable challenges posed by modernity, these warm, tough, adaptable, and hospitable people welcome visitors and are open to the world."

Do you have an active child always looking for another challenge? Does your child like to mimic the older children or grown-ups and do the things they usually do? If so, this kids' coloring activity book with mandalas will make a great gift! It will satisfy the need for "feeling older" but at the same time, won't be too difficult (or boring!) to color. Julia Johansson, the author, mom of 3 and bonus mom of 5: "I have noticed that my youngest children are only interested in things that their older siblings do, but as these activities usually are too difficult, my ambitious small people get frustrated and sad. Many coloring books are "just for children" (that's a quote from my 5-years old), while the big and beautiful "grown-up" mandalas are just too much for them. This is why I came up with an idea of making this book, dedicated especially to children from 5 to 10. It offers many beautiful "mandala" designs with cute animals, presented in a way that "real coloring books" look. I added black pages to prevent bleed-through issues as well as doubled all the designs. This way there is a possibility to improve or... to share" This one of a kind Mandala Coloring Book For Children comes with: Beautiful Cover in Matte Finish (just like mom's!) 2 sets of 20 beautiful "Mandalas" with adorable animals like dolphins, seahorses, panda bears, elephants and more - easy to improve or share! Universal designs suitable for boys and girls Thicker lines to "support accuracy" Single-side printing for best convenience Black pages in between each design to prevent bleed-through issues Color Testing Page (yes, this is a REAL coloring book!) Acid-free white paper printed in the USA If you would like to make your child feel really special and provide with many hours of playful and relaxing coloring (in a grown-up way), get this book now and enjoy it ♥
