Now he's got a new book, "Social Intelligence: The New Science of Human Relationships.". Social intelligence is the ability to read other people's cues and then act on them. Life is all about relationships, and there is a science to how we relate to each other.

#### Social Intelligence: The New Science of... book by Daniel ...

Social Intelligence. The most fundamental discovery of this new science: We are wired to connect. Neuroscience has discovered that our brain's very design makes it sociable, inexorably drawn into an intimate brain-to-brain linkup whenever we engage with another person. That neural bridge lets us impact the brain—and so the body—of everyone we...

#### Social Intelligence PDF Summary - Daniel Goleman ...

The book Social Intelligence: The New Science of Human Relationships by Dr. Daniel Goleman gives us some great science on social intelligence. Social Intelligence (SI) is the ability to successfully build relationships and navigate social environments. Our society puts a huge emphasis on book smarts and IQ, but our relationships effect a much bigger part of our lives. In this post, I want to argue that your social smarts are far more important than your book smarts.
