Teaching Young Learners is all about being able to deal with discipline calmly and effectively. If you're lucky, you might have a teacher's assistant or a co-teacher to help you if you are teaching Young Learners in a physical classroom. When teaching adults, disciplines should not be an issue because, well, they're adults.

### *Developing Thinking Skills in the Young Learners' Classroom*

Teaching Young Learners to Think offers 80 lessons with photocopiable worksheets devised to develop key thinking and language skills in young learners. A selection of activities, organised in categories from basic to higher-order thinking skills, engage young learners in meaningful use of language while enhancing cognitive abilities through real-life thinking tasks.

If you are a teacher of young learners, then you've most probably come across children like Christopher and Sophia. And you may

have wondered what it is that makes them so different from one another. An easy explanation would be that Sophia's just much smarter than Christopher, and hence achieves better results.
