"Team T. Rex" is the first book from „Frankie's Magic Football" series written by football legend Frank Lampard I had chance to read. Though this is not some classic work for children, it is well-written piece for readers 5 years and older that in an imaginative way combines magic and football, encouraging young children to read.

There's a huge load of information about T.rex and a big chunk of the book is about the shameful trial that shook the world of paleontology. The reason I have read this book only now, is soon said: 'Dinosaur 13' seems to be a little slanted and according to most people it certainly is.

#### Rex Appeal: The Amazing Story of Sue, the Dinosaur That ...

The 2010 Campagna T-Rex 14 RR is powered by a Kawasaki 1,352cc inline-four engine that provides the trike with 197hp. The engine is mated to a sequential six-speed transmission. T-Rex has two 16-inch wheels at front, one 18-inch wheel at the back, and fiberglass bodywork. The dry weight of the trike is 470kg.

Update: the original T-Rex founders bought back the company and want to continue, they talk about direction being a thing that divided the team so I guess it will still be unclear if stuff like Replicator Junior continues and if we see completely new thing from them. In a Danish article it's stated T-Rex Effects are officially declared bankrupt. In short they had some economic problems ...
