Textual Poachers Television Fans And

This book is a must read for anyone interested in pop culture studies or anyone who is a fan and wants to understand the history of fan movements. The author does an excellent job of showing how different fandoms found empowerment in their communities and in their own fan creations based off the pop culture they liked.

Textual Poachers: Television Fans and Participatory Culture by Jenkins, Henry at AbeBooks.co.uk - ISBN 10: 0415533295 - ISBN 13: 9780415533294 - Routledge - 2012 - Softcover

The term "textual poaching" was first de-

veloped by the French scholar Michel de Certeau in *The Practice of Everyday Life* (1984) and later developed by Henry Jenkins in *Textual Poachers: Television Fans and Participatory Culture* (1992). De Certeau argues that audiences are not passive consumers but instead active interpreters. This follows Stuart Hall's encoding/decoding model of communication (1980) where each person will create their own meaning from the same text, depending on their ...

Textual Poachers | Television Fans and Participatory Culture

The twentieth anniversary edition of Henry Jenkins's *Textual Poachers* brings this now-canonical text to a new generation of students interested in the intersections of fandom, participatory culture, popular consumption and media theory. Supplementing the original, classic text is an interview between Henry Jenkins and Suzanne Scott in which Jenkins reflects upon changes in the field since the original release of *Textual Poachers*.

HENRY JENKINS TEXTUAL POACHERS PDF

Textual Poachers: Television Fans and Participatory Culture is a non-fiction book written by aca-fan Henry Jenkins and originally published in 1992. It was massively influential in the development of fan studies and coincidentally introduced many new fans to media fandom . [3]

After a shoving match and a forced rereading of his contract, an embarrassed Shatner takes the stage again and tells the

much-relieved fans that they have just watched a "recreation of the evil Captain Kirk from episode 27, 'The Enemy Within.' Routledge, 2013 - Art - 370 pages. 2 Reviews. The twentieth anniversary edition of Henry Jenkins's Textual Poachers brings this now-canonical text to a new generation of students interested in the...

Textual Poachers: Television Fans and Participatory Culture He had the guts to prints slash art, though most of it is pros i. I may not always agree with what he says, but I do believe he went out of his way to be fair and accurate.

An important book for cultural studies and fan culture, Textual Poachers provides an excellent primer and introduction to looking at fandom and its general practices.[return][return]While the book is now rather dated in both its examples (shows mentioned are all from the 1980s and very early 90s) and some of its subjects (filk music), the book is highly engaging and accessible, even for non-media scholars are just interested in the subject, or want to learn more about their hobby.

Written from an insider's perspective and providing vivid examples from fan arti-

facts, Textual Poachers offers an ethnographic account of the media fan community, its interpretive strategies, its social institutions and cultural practices, and its troubled relationship to the mass media and consumer capitalism.
