I decided to see what the latest version of the Complete Walker (IV) had to offer partly for nostalgia.. Even though it was printed in 2002, I found it extremely useful covering a lot of the changes that have taken place philosophically as well as technically since Colin Fletcher wrote the first version.

The Complete Walker series, and especially The Complete Walker IV, are different

books in that they specifically talk about gear. Colin Fletcher references specific items that are, with very few exceptions, obsolete. However, I would still recommend reading this book here in 2012. Fletcher has a really great prose style that is entertaining.
