La saga The Dark Elements es una trilogía de corte paranormal young adult donde humanos, gárgolas y demonios conviven y luchan en nuestro mundo. Los humanos conocen la existencia de las gárgolas (aquí, unas gárgolas que NADA tienen que ver con las gárgolas de piedra que vemos en las catedrales), aunque no la de los demonios, contra los que luchan esta raza de gárgolas, denominados Wardens.

The Dark Element is the debut studio album by Finnish heavy metal band The Dark Element. It was released on November 10, 2017, through Frontiers Records.

The Dark Elements Series. As a series this perfectly captures what it is about the romance genre that really works, bringing to life its world and the many inhabitants in it. With its strong characters and compelling storylines, it really manages to set itself apart from the others in it genre through what it is that Armentrout really wants to say.

*Dark Elements - Book Series In Order*

The Dark Element is a new album written by former Sonata Arctica guitarist Jani Liimatainen and is effectively the return of former Nightwish singer Anette Olzon. With the leading symphonic metal bands growing increasingly more pretentious and full of themselves, the quality of their music has dropped significantly.
