Family Law (Scotland) Act 1985, Section 9 is up to date with all changes known to be in force on or before 05 November 2020. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced

with annotations.

New laws relating to children in Scotland are currently being considered by the Scottish Parliament. This followed a wide ranging consultation, which reflected on the fact that the legal and societal landscape is ever evolving and more complex and modern family arrangements are becoming the norm.

Under section 38 of the Family Law (Scotland) Act 2006, a marriage is formally valid and recognised in Scotland provided that the formalities required by the law of the country in which the marriage took place were complied with. Further, the parties must have had capacity to contract the marriage under the law of their respective domiciles.

~~Family Law (Scotland) Act 1985~~

The Act. 3. The Act seeks to support the aims set out in the Policy Memorandum by introducing changes to update Scottish family law. Family law provides the legal framework that regulates responsibilities and rights between couples and between children and their parents and others with an interest in their welfare.
