Harper and Knox are back and better than ever . . . Discover the unmissable fourth book in Suzanne Wright's globally bestselling The Dark in You series \_\_\_\_\_ The final horseman awaits . . . and the stakes have never been higher. With the birth of their son, Asher, Harper and Knox are both more powerful and more vulnerable than they've ever been before. Asher's charm has seduced even the devil himself, but Harper knows that the real villain is still out there, and as desperate as ever to see the Primes fall. They're laying low, and there's no way to tell which one of their circle is really a deadly foe . . . When the final horseman makes their move, Harper and Knox will have to use all the considerable power at their disposal - and that may even include Asher's mysterious abilities. One thing's for sure - this is a baby who's more than a match for any demon coming after him. It's time for the world's most formidable family to take the fight to the enemy . . . \_\_\_\_\_ Find out why readers everywhere are obsessed with Suzanne Wright 'It's been two minutes since my last fix and I need Suzanne Wright to give me more' Edgy Reviews 'No words to describe how much I ADORE this extraordinary and magical read!' The fate of mankind and the fate of the gods are entwined in this fast moving thriller. Ethan, Beth and Nora were just three lonely teenagers looking to better themselves. When Pandoras box is opened to reveal a terrifying secret, the future of everything hangs in the balance. The three teenagers must develop superhuman abilities to battle the four horsemen of the apocalypse in Professor Trenton and the Legacy of Zeus. Can the dream of paradise on Earth be saved or will the wrangling of the gods destroy the world?

After saving the Venetian Republic in Ascension, reluctant spy Alvis Marangon returns in this second adventure, played out once again in the carnivalesque atmosphere of eighteenth-century Venice. After Alvis is arrested in a tavern brawl, he is summoned to meet the Missier Grande, head of the city's powerful secret service. Rather than being expelled from the city, he is coerced into a top-secret investigation of the mysterious death of one of the service's agents. This death seems to be connected with a mysterious secret society - The Four Horsemen - whose roots go back to the fall of Constantinople, or perhaps even earlier. But as he oversteps the bounds in his investigations, Alvis finds that he has not only The Four Horsemen against him but also the authorities of the Republic itself. And so he is forced to go on the run, becoming both the seeker and the sought, amid the tangle of Venice's back-streets and canals and the outlying islands of the lagoon.

The Four Horsemen narrates the history of revolution in Spain, Na-

ples, Greece, and Russia in the 1820s, connecting the social movements and activities on the ground, in the inimitable voice of a renowned historian.

The third horseman must choose between the young woman who once saved his life and his loyalty towards his last immortal brother.

We've all heard the story of the Four Horsemen. Harbingers of the apocalypse. Destruction given form. Four of the sexiest-wait no--forget that. You get my point. So imagine my surprise when I find out everything I've ever been told, is a lie. But we're getting ahead of ourselves here. Let's start from the beginning. My name is Ruby Morningstar. I run a tattoo parlor in Portland with my bestfriend, have a pet raccoon, a crazy ex that stalks me, not to mention this one little thing? I'm a demon. Half-succubus, to be exact. For the last twenty-three years of my life, that's the story I believed, but on the day a handsome stranger bails me out of jail my world is turned upside down, and suddenly I don't know who I am anymore. Because the Four Horsemen aren't the bringers of the apocalypse. I am. Talk about never catching a break.

A bold and urgent perspective on how American foreign policy must change in response to the shifting world order of the twenty-first century, from the New York Times bestselling author of The Limits of Power and The Age of Illusions. The purpose of U.S. foreign policy has, at least theoretically, been to keep Americans safe. Yet as we confront a radically changed world, it has become indisputably clear that the terms of that policy have failed. Washington's insistence that a market economy is compatible with the common good, its faith in the idea of the "West" and its "special relationships," its conviction that global military primacy is the key to a stable and sustainable world order—these have brought endless wars and a succession of moral and material disasters. In a bold reconception of America's place in the world, informed by

thinking from across the political spectrum, Andrew J. Bacevich—founder and president of the Quincy Institute for Responsible Statecraft, a bipartisan Washington think tank dedicated to foreign policy—lays down a new approach—one that is based on moral pragmatism, mutual coexistence, and war as a last resort. Confronting the threats of the future—accelerating climate change, a shift in the international balance of power, and the ascendance of information technology over brute weapons of war—his vision calls for nothing less than a profound overhaul of our understanding of national security. Crucial and provocative, *After the Apocalypse* sets out new principles to guide the once-but-no-longer sole superpower as it navigates a transformed world.

The titanic struggle for control of the stars reaches its bloody conclusion in the final chapter of the bestselling Saiph Series.

"April 29, 2003 - January 29, 2007; 2006 Kentucky Derby winner."

 "And I saw, and behold a white horse: and he that sat on him had a bow; and a crown was given unto him: and he went forth conquering, and to conquer." - The Book of Revelation 6:2  
 About 2,000 years ago, a prophet named John wrote a book about his strange visions while he was in Patmos, a small Greek island in the Aegean Sea. This John, the Seer, the Revelator, was long believed to be one of Jesus's apostles, but recent historians have determined that he was a second-generation disciple. In fact, he was likely a political exile, writing for Christians under the threat of persecution by the Roman Empire, and his book, the Book of Revelation, was controversial, obscure, and rejected by many local churches as early as the 2nd century CE. Even after it managed to slip into the Bible as the last book of the canon, for years many doubted its authenticity, and others later branded it as the heretical hallucinations of a madman. Despite those controversial origins, the Apocalypse or Revelation of John remains firmly embedded in the Bible as the final chapter of the great saga that opens with Genesis, the beginning of everything. As a bookend to Genesis, Revelation provides a narrative of the end times, the completion of history, and the end of the world. Genesis and Revelation thus constitute the Alpha and the Omega, a surprising expression that the Book of Revelation applies to the divinity. In the opening verses of the Book of Revelation, God says to John, "I am the Alpha and the Omega - the beginning and the end. I am the one who is, who always was, and who is still to come." John proclaims,

"On the Lord's Day I was in the Spirit, and I heard behind me a loud voice like a trumpet, which said: 'Write on a scroll what you see.'" His esoteric narrative, impenetrable to most of his readers, is full of symbols, keys, and metaphors, abounds in strange visions and prophecies, monsters, natural catastrophes, and describes terrifying scenes that are typically described as apocalyptic. This fascinating book also features some of the most well-known religious concepts in the West, things that have provoked fear and fascination for centuries, including the four horsemen of the Apocalypse, the famous number of the Beast (666), the Antichrist (whom Revelation calls "the beast"), and the whore of Babylon. Perhaps inevitably, the interpretation of the Book of Revelation has also generated significant controversy. Once it obtained its canonical status, meaning it was accepted by the whole Church as a divinely inspired text, countless generations immersed themselves in its verses in an effort to decode the visions of the prophet John. Theologians of many ages, and even recent Biblical scholars, have dissected the sentences and found clues regarding the work's authorship, context, and date of composition. One position is that Revelation is the literal truth of things to come, those who await the return of Christ in the clouds, commanding the Heavenly army, while others take a more spiritual interpretation. Still another position is that the book narrates events that were happening while John composed the tractate, and that it is a codified description, in terms which were understandable to the readers of its time, of the persecution of Christians under Emperor Nero or Emperor Domitian. A more intriguing proposition says that Revelation, in its primitive form, consisted of two or more shorter texts, and interestingly, that it originally formed a Jewish document that originally had nothing to do with Jesus. The Book of Revelation: The History and Legacy of the Apocalyptic Final Book of the Bible examines what was written in Revelation, the authorship, and the history behind its placement in the Bible. Along with pictures depicting important people, places, and events, you will learn about Revelation like never before.

Legacy of Light is the spectacular conclusion to Matthew Ward's acclaimed Legacy trilogy—an unmissable epic fantasy series of war and intrigue perfect for fans of George R. R. Martin, Brent Weeks, and Brandon Sanderson. For the first time in many years, the Tressian Republic and the Hadari Empire are at peace. But darkness never sleeps. In Tregard, Empress Melanna Saranal

struggles to protect a throne won at great cost. In Tressia, Lord Protector Viktor Droshna seeks to restore all he's lost through forbidden means. And as the sins of the past are once more laid bare, every road will lead to war. The Legacy Trilogy Legacy of Ash Legacy of Steel Legacy of Light

Devils may seek to corrupt your faith and mind, and demons certainly look to twist your body and destroy your home. But the fiends known as demons seek something altogether more fundamental from mortals - they seek life itself! Evil without the distraction of binding law or capricious chaos, they look to the world with hungry eyes for fresh souls to consume. Horseman of the Apocalypse continues the Book of the Damned series by taking a detailed look at the demons - ushers of catastrophe and harbingers of disaster. Personifying the worst ways a person can die, demons constitute the third arm of major fiendish races, hailing from the nightmare realm of Abaddon, where they are led by four legendary figures- the so-called Horsemen of the Apocalypse!

Christopher Hitchens, described in the London Observer as "one of the most prolific, as well as brilliant, journalists of our time" takes on his biggest subject yet—the increasingly dangerous role of religion in the world. In the tradition of Bertrand Russell's *Why I Am Not a Christian* and Sam Harris's recent bestseller, *The End Of Faith*, Christopher Hitchens makes the ultimate case against religion. With a close and erudite reading of the major religious texts, he documents the ways in which religion is a man-made wish, a cause of dangerous sexual repression, and a distortion of our origins in the cosmos. With eloquent clarity, Hitchens frames the argument for a more secular life based on science and reason, in which hell is replaced by the Hubble Telescope's awesome view of the universe, and Moses and the burning bush give way to the beauty and symmetry of the double helix.

Are mass violence and catastrophes the only forces that can seriously decrease economic inequality? To judge by thousands of years of history, the answer is yes. Tracing the global history of inequality from the Stone Age to today, Walter Scheidel shows that it never dies peacefully. The Great Leveler is the first book to chart the crucial role of violent shocks in reducing inequality over the full sweep of human history around the world. The "Four Horsemen" of leveling—mass-mobilization warfare, transformative revolutions, state collapse, and catastrophic plagues—have repeatedly destroyed the fortunes of the rich. Today, the violence

that reduced inequality in the past seems to have diminished, and that is a good thing. But it casts serious doubt on the prospects for a more equal future. An essential contribution to the debate about inequality, *The Great Leveler* provides important new insights about why inequality is so persistent—and why it is unlikely to decline anytime soon.

*Legacy of Ash* is an unmissable fantasy debut—an epic tale of intrigue and revolution, soldiers and assassins, ancient magic and the eternal clash of empires. A shadow has fallen over the Tressian Republic. Ruling families -- once protectors of justice and democracy -- now plot against one another with sharp words and sharper knives. Blinded by ambition, they remain heedless of the threat posed by the invading armies of the Hadari Empire. Yet as Tressia falls, heroes rise. Viktor Akadra is the Republic's champion. A warrior without equal, he hides a secret that would see him burned as a heretic. Josiri Trelanis Viktor's sworn enemy. A political prisoner, he dreams of reigniting his mother's failed rebellion. And yet Calenne Trelan, Josiri's sister, seeks only to break free of their tarnished legacy; to escape the expectation and prejudice that haunts the family name. As war spreads across the Republic, these three must set aside their differences in order to save their home. Yet decades of bad blood are not easily set aside. And victory -- if it comes at all -- will demand a darker price than any of them could have imagined.

Gods can't escape their fate...but they can try to run. My name is Karma and I'm a goddess. But not a very good one according to, well, everyone. Between accidental mishaps on the job, the talking family goat, and a necklace full of dangerous charms...trouble was always going to find me. But I never expected to be locked away in the gods' correction prison for accidentally killing a higher god. Which is literally the only rule gods have. Between the sexy justice god twins who want me locked away and a storm god who holds too many secrets in his dark eyes, prison isn't all that bad. Until fate catches up with me...and there is nowhere to hide. *Imprisoned Gods* is a full length 80,000+ words Urban Fantasy RH Romance. RH means where there is more than one love interest. Book one of Three. 17+.

Fans of Sarah J. Maas will love this story about when one of the four horsemen comes to spread the plague, a young woman risks her life to save her town from him, only to fall in love with him. She's off limits. He has none. There's a girl. Beautiful. Popular.

Fake. And my obsession. My fall. Probably my damnation. Did that stop me? Do I care? No and no. There's a line between right and wrong. Moral and immoral. And then there's her. I cross every limit with blood-coated fingers. She says she hates me. I say I hate her too as I trap her, own her. Make her all mine. *Ruthless Empire* is part of Royal Elite Series but could be read on its own. For better understanding of the world, you might want to read the previous books first. This is a mature new adult and contains situations that some readers might find offensive.

As the second horseman brings war and destruction, he meets a young woman who he believes is destined to be his wife, but unfortunately for him she does everything she can to sabotage his plans.

The basic text for Alcoholics Anonymous.

In 2007, Christopher Hitchens, Richard Dawkins, Sam Harris, and Daniel Dennett filmed a landmark discussion about modern atheism. The video went viral. Now in print for the first time, the transcript of their conversation is illuminated by new essays from three of the original participants and an introduction by Stephen Fry. At the dawn of the new atheist movement, the thinkers who became known as “the four horsemen,” the heralds of religion's unraveling—Christopher Hitchens, Richard Dawkins, Sam Harris, and Daniel Dennett—sat down together over cocktails. What followed was a rigorous, pathbreaking, and enthralling exchange, which has been viewed millions of times since it was first posted on YouTube. This is intellectual inquiry at its best: exhilarating, funny, and unpredictable, sincere and probing, reminding us just how varied and colorful the threads of modern atheism are. Here is the transcript of that conversation, in print for the first time, augmented by material from the living participants: Dawkins, Harris, and Dennett. These new essays, introduced by Stephen Fry, mark the evolution of their thinking and highlight particularly resonant aspects of this epic exchange. Each man contends with the most fundamental questions of human existence while challenging the others to articulate their own stance on God and religion, cultural criticism, spirituality, debate with people of faith, and the components of a truly ethical life. Praise for *The Four Horsemen* “This bracing exchange of ideas crackles with energy. It's fascinating to watch four first-class minds explore a rugged intellectual terrain. . . . The text affords a different, more reflective way of processing the truly vital exchange of ideas. . . . I commend the book

to those seeking an honest reckoning with their religion—and those curious about how the world looks from a rigorously naturalistic and atheistic point of view.”—Pittsburgh Post-Gazette “The full, electrifying transcript of the one and only conversation between the quartet of luminaries dubbed the ‘four horsemen’ of the New Atheism, which took place in Washington, D.C., in 2007. Among the vast range of ideas and questions they discuss: Is it ever possible to win a war of ideas? Is spirituality the preserve of the religious? And, are there any truths you would rather not know?”—The Bookseller (UK) (starred review)

An epic adventure that marks legendary artist Simon Bisley's triumphant return to interior comics work! The End of Days is here, and four lost souls must climb from the depths of Hell itself to stand against the monstrous Four Horsemen of the Apocalypse - for the sake of humanity!

Heir to one of the leading “Four Horsemen” mercenary companies, Jim Cartwright is having a bad year. Having failed his high school VOWS tests, he's just learned his mother bankrupted the family company before disappearing, robbing him of his Cavalier birthright. But the Horsemen of eras past were smart—they left a legacy of equipment Jim can use to complete the next contract and resurrect the company. It's up to Jim to find the people he needs to operate the machinery of war, train them, and lead them to victory. If he's good enough, the company can still be salvaged. But then again, he's never been good enough.

An economic and social history of early New South Wales, told through the life stories of pioneer 19th century horsemen. Traces the origin and development of the horse in Australia and a special tribute to Australia's internationally acclaimed thoroughbred expert C. Bruce Lowe.

Tour guide Alvis Marangon thinks he knows Venice better than ever, but now finds himself ensnared by mysteries as obscure as the city and in many cases just as old. Certain that he is finally about to have his guide's license revoked after a tavern brawl, Alvis is instead dragooned into the service of Missier Grande, who has linked the death of one of his agents to a secret society known as the Four Horsemen. Every attempt that Missier Grande makes to investigate the matter is blocked by forces on high, and enlisting Alvis is a move of last resort—one last-ditch effort to uncover the crimes of the present in the secrets of the past before the future claims more lives. Among the dark arcades and fetid ca-

nals of 18th century Venice, Alvise is the one who finds himself led on a tour, at any turn of which could lie a fresh corpse or an ancient conspiracy.

John Hume, Ireland's greatest peace-maker, is widely recognised as the architect of the Northern Ireland peace process. In *John Hume in America*, Maurice Fitzpatrick explores how Hume created this framework for peace through the cultivation of an unprecedented and bountiful relationship with the White House and the US Congress. John Hume's political vision and innate sense of diplomacy persuaded key players in US politics to merge their concerns with his own. Ted Kennedy, Tip O'Neill, Daniel Patrick Moynihan and Hugh Carey – together known as the 'Four Horsemen' – were won over to his cause, lending the campaign for equality in Northern Ireland worldwide credibility and putting considerable pressure on the British and Irish governments to strive for peace. Through his work with the 'Four Horsemen', Hume engaged every American president from Jimmy Carter to Bill Clinton. *John Hume in America*, a towering achievement, supported by the Hume family, explores the intricate negotiations that made this possible and highlights Hume's paramount role in leveraging Irish-America. Maurice Fitzpatrick's seminal work is the missing piece in the jigsaw of Hume's political life, tracing his philosophy of non-violence during the Civil Rights Movement through to his indispensable work with friends in the US towards the creation of a new political framework in Northern Ireland.

Death and War, two of the feared Horsemen, are sent to stop a group of renegades from locating a hoard of weapons possessing ultimate power and malice and unleashing total destruction.

"Ric Flair is a 16-time World Champion and two-time WWE Hall of Fame inductee. His four-decades long career is recognized as one of the greatest of all time, but with success comes a price ... His life away from the cameras includes personal struggles, controversy, and family tragedy. Through his bond with [his daughter] Charlotte, he's becoming the father he needs to be while rediscovering the legend he has always been"--Amazon.com.

The Four Horsemen and Vee's story continues in book four of this reverse harem urban fantasy series. The previous books must be read first. Assassins, ancient magic, and the mysterious Collector bring new challenges to the Horsemen. Can the five find the answers they need before it's too late? Three humans are dead, and the search is on for the surviving member from Vee's online group. If

he's alive, Seth could hold the key to who's behind the attacks -- and why the group are targets. Thanks to their broken alliance with the fae, the Four Horsemen and Vee must turn to others for help and are pulled deeper into the supernatural underworld. The danger the world faces is greater than they imagined and someone is determined the Horsemen will fail. The Four Horsemen will each do whatever it takes to protect Vee, but as Vee's relationship with the guys intensifies, so does her power. How powerful can she become and at what cost to the Four Horsemen's future? New York Times bestselling author Mary Balogh returns to Regency England in the second novel of her *Horsemen Trilogy*, a tale of unforgiven sins and unforgettable passion... Moira Hayes hadn't seen Kenneth Woodfall in nearly eight years. Nor did she want to see this man who stirred such feelings of anger in her. After all, their families had been rivals since their great-grandfathers' day. And he was the reason—though indirectly—for her own brother's death. But Kenneth has returned from war and is home for good. And he isn't willing to forget the past—a time he shared with his first and only love, Miss Moira Hayes. The moment he sees her again, he knows his future. Because Kenneth is more than willing to forgive. If only Moira can too...

They knew they were coming. They knew they were the enemy. They didn't know why. They race against time. The Commonwealth Union of Planets begin their mission to the Saiph Worlds. To seek out their genetic cousins cited in the alien database, to unravel the secrets of their enemy and exploit any weakness. The 'Others' capture The Happy Wanderer and her precious navigation system - to Earth. The Union's future flounders as they're fatally exposed to a catastrophic betrayal at the hands of the Alonian Empire. The highly decorated Admiral John Radford begins to turn the tide. He leads the Commonwealth Fleet in a hard fought bloody battle. Along the road to this costly victory, Radford finds it - the key to winning the war. Can he stop the unthinkable? Can he stop the Others from striking at the heart of humanity? The Commonwealth must gamble everything to save themselves. PP Corcoran unites cutting-edge technology and epic space battles in his military science fiction Saiph Series. He has received rave reviews for his debut novel, *Discovery of the Saiph*, book 1 in this series.

Spreading plague isn't all it's cracked up to be. Piper Bane wants nothing to do with her pesky Pestilence bloodline and would give anything to be a Normal. In fact, she put Beckwell, Alberta-land of

the paranormal and home of the weird-in her rear-view ten years ago and hasn't been back since. But when an invitation to her best friend's wedding coaxes her back home, she's reminded what it means to continue the legacy of the four horsemen of the apocalypse. And that ten years isn't long enough to forget her ex-fiancé. Daniel Quilan never forgot Piper, the woman who took his heart with her when she left a decade ago. His not-so-ordinary patients and his trouble-making twin brother keep Daniel occupied twenty-four-seven, not to mention magic going haywire throughout town. But his plan to stay busy as the town's golden boy is shattered when his latest patient turns out to be Piper. How good she looks isn't his concern. How she still makes fire shoot through his veins isn't his focus. But someone wants to end the world and will use Piper to do so... which makes her impossible to ignore. Book 1 in the *Sisters of the Apocalypse Series*. You'll love *MUST LOVE PLAGUE* if you're a fan of: • Witty, sexy banter • Second chance romances • Animal sidekicks with attitude • Fun, fantastical romps with lots of humor • Quirky, magical towns • Gender-bent four horsemen of the apocalypse Praise for *Must Love Plague*: "What a fun read this was!... If you enjoy paranormal with humor, you will love this!"-Goodreads Reviewer "... Chalmers' imaginative approach to a wide range of mythology makes for an entertaining read, to be continued as the rest of the Four Horsewomen take their turns."-Amazon reviewer "... The farther I read, the more captured I became in the plot and the world. There were unexpected surprises, too, and a story arc that extends through the series." -An Amazon Reviewer "I loved this book! It's fun and sexy."-Goodreads Reviewer "Must Love Plague is quirky and fun, with enough of the dark side to keep things interesting—and to keep the relationship between Piper and Daniel sizzling."-Amazon reviewer

Bill Cooper, former United States Naval Intelligence Briefing Team member, reveals information that remains hidden from the public eye. This information has been kept in Top Secret government files since the 1940s. His audiences hear the truth unfold as he writes about the assassination of John F. Kennedy, the war on drugs, the Secret Government and UFOs. Bill is a lucid, rational and powerful speaker who intent is to inform and to empower his audience. Standing room only is normal. His presentation and information transcend partisan affiliations as he clearly addresses issues in a way that has a striking impact on listeners of all back-

grounds and interests. He has spoken to many groups throughout the United States and has appeared regularly on many radio talk shows and on television. In 1988 Bill decided to "talk" due to events then taking place worldwide, events which he had seen plans for back in the early '70s. Since Bill has been "talking," he has correctly predicted the lowering of the Iron Curtain, the fall of the Berlin Wall and the invasion of Panama. All Bill's predictions were on record well before the events occurred. Bill is not a psychic. His information comes from Top Secret documents that he read while with the Intelligence Briefing Team and from over 17 years of thorough research. "Bill Cooper is the world's leading expert on UFOs." -- Billy Goodman, KVEG, Las Vegas. "The only man in America who has all the pieces to the puzzle that has troubled so many for so long." -- Anthony Hilder, Radio Free America "William Cooper may be one of America's greatest heroes, and this story may be the biggest story in the history of the world." -- Mills Crenshaw, KTALK, Salt Lake City. "Like it or not, everything is changing. The result will be the most wonderful experience in the history of man or the most horrible enslavement that you can imagine. Be active or abdicate, the future is in your hands." -- William Cooper, October 24, 1989.

A magisterial intellectual history of the last century of American

conservatism When most people think of the history of modern conservatism, they think of Ronald Reagan. Yet this narrow view leaves many to question: How did Donald Trump win the presidency? And what is the future of the Republican Party? In *The Right*, Matthew Continetti gives a sweeping account of movement conservatism's evolution, from the Progressive Era through the present. He tells the story of how conservatism began as networks of intellectuals, developing and institutionalizing a vision that grew over time, until they began to buckle under new pressures, resembling national populist movements. Drawing out the tensions between the desire for mainstream acceptance and the pull of extremism, Continetti argues that the more one studies conservatism's past, the more one becomes convinced of its future. Deeply researched and brilliantly told, *The Right* is essential reading for anyone looking to understand American conservatism. Marx. Durkheim. Critical Theory. Disintegration brings sociology, psychoanalysis, and dialectics together to offer a rousing critique of modern life.

This Revised & Expanded Second Edition of the 2009 book contains 70 additional pages of photographs, memorabilia, and historical information, plus a new title history chapter with behind the

scenes details, and an expanded chapter on the night the belt was first presented and defended. Plus all the material in the original book including champion profiles, detailed and close-up photos of the belt itself and a detailed history of how it was made. In October of 2008, Dick Bourne and Dave Millican had the rare opportunity to inspect and photograph the genuine NWA world heavyweight championship belt worn and defended in the 1970s and 1980s by Ric Flair, Terry Funk, Harley Race, and others. Not long afterwards, Bourne decided to put together a book about the history and construction of the NWA belt, a chance to share with others the opportunity they had been fortunate enough to have. The result was "Ten Pounds of Gold". Drawing from their interest, experience, and research, Bourne and Millican proudly present the NWA belt as you've never seen it before. A belt enthusiast's dream come true. As one of their customers once wrote, "The only thing that could be better would be to hold the actual belt. This book is that good." This is the COLOR version of the Ten Pounds of Gold (2nd Edition.) An inexpensive Special Black & White Edition is available as well. Visit [www.tenpoundsofgold.com](http://www.tenpoundsofgold.com) for details. PLEASE NOTE: This is the COLOR version of the Ten Pounds of Gold (2nd Edition.) An inexpensive Special Black & White Edition is available as well. Visit [www.tenpoundsofgold.com](http://www.tenpoundsofgold.com) for details.
