"The first great rock 'n' roll novel in the English language." --The Times On Valentine's Day, 1989, Vina Apsara, a famous and much-loved singer, disappears in a devastating earthquake. Her lover, the singer Ormus Cama, cannot accept that he has lost her, and so begins his eternal quest to find her and bring her back. His journey takes him across the globe and through cities pulsating with the power of rock 'n' roll, to Bombay, London and New York. But around the star-crossed lover and his quest, the uncertain world itself is beginning to tremble and break. Cracks and tears are appearing in the very fabric of reality, and exposing the abyss beyond. And Ormus has to confront just how far he is willing to go for love. In this epic romance that stretches across whole lives, and even beyond death, Salman Rushdie's most accessible novel is also a vivid account of the intimate, flawed encounter between East and West, a remaking of the myth of Orpheus, and an exploration of the extremities of comedy, culture and desire.

The Ground Beneath Her Feet is a gripping story that encapsulates the history, dreams and passions of the last half century as no other novel has done.

It all begins with a letter. Fall in love with Penguin Drop Caps, a new series of twenty-six collectible and hardcover editions, each with a type cover showcasing a gorgeously illustrated letter of the alphabet. In a design collaboration between Jessica Hische and Penguin Art Director Paul Buckley, the series features unique cover art by Hische, a superstar in the world of type design and illustration, whose work has appeared everywhere from Tiffany & Co. to Wes Anderson's recent film *Moonrise Kingdom* to Penguin's own bestsellers *Committed* and *Rules of Civility*. With exclusive designs that have never before appeared on Hische's hugely popular Daily Drop Cap blog, the Penguin Drop Caps series debuted with an 'A' for Jane Austen's *Pride and Prejudice*, a 'B' for Charlotte Brönte's *Jane Eyre*, and a 'C' for Willa Cather's *My Ántonia*. It continues with more perennial classics, perfect to give as elegant gifts or to showcase on your own shelves. R is for

Rushdie. Set in an exotic Eastern landscape peopled by magicians and fantastic talking animals, Salman Rushdie's classic children's novel *Haroun and the Sea of Stories* inhabits the same imaginative space as *Gulliver's Travels*, *Alice in Wonderland*, and *The Wizard of Oz*. Haroun, a 12-year-old boy sets out on an adventure to restore the poisoned source of the sea of stories. On the way, he encounters many foes, all intent on draining the sea of all its storytelling powers. *Shalimar the Clown* is a masterpiece from one of our greatest writers, a dazzling novel that brings together the fiercest passions of the heart and the gravest conflicts of our time into an astonishingly powerful, all-encompassing story. Max Ophuls' memorable life ends violently in Los Angeles in 1993 when he is murdered by his Muslim driver Noman Sher Noman, also known as Shalimar the Clown. At first the crime seems to be politically motivated—Ophuls was previously ambassador to India, and later US counterterrorism chief—but it is much more. Ophuls is a giant, an architect of the modern world: a Resistance hero and best-selling author, brilliant economist and clandestine US intelligence official. But it is as Ambassador to India that the seeds of his demise are planted, thanks to another of his great roles—irresistible lover. Visiting the Kashmiri village of Pachigam, Ophuls lures an impossibly beautiful dancer, the ambitious (and willing) Boonyi Kaul, away from her husband, and installs her as his mistress in Delhi. But their affair cannot be kept secret, and when Boonyi returns home, disgraced and obese, it seems that all she has waiting for her is the inevitable revenge of her husband: Noman Sher Noman, Shalimar the Clown. He was an acrobat and tightrope walker in their village's traditional theatrical troupe; but

soon Shalimar is trained as a militant in Kashmir's increasingly brutal insurrection, and eventually becomes a terrorist with a global remit and a deeply personal mission of vengeance. In this stunningly rich book everything is connected, and everyone is a part of everyone else. A powerful love story, intensely political and historically informed, *Shalimar the Clown* is also profoundly human, an involving story of people's lives, desires and crises, as well as—in typical Rushdie fashion—a magical tale where the dead speak and the future can be foreseen.

From the Booker Prize-winning author of *The Satanic Verses* comes nine stories that reveal the oceanic distances and the unexpected intimacies between East and West. Daring, extravagant, comical and humane, this book renews Rushdie's stature as a storyteller who can enthrall and instruct us with the same sentence.

Curvy girl falls in love with her extremely fit veterinarian roommate. And with herself. **TAKE THE LEAP** She's got her feet planted on the ground. He'll teach her to fly. Jessica, a curvy, driven, neat freak lawyer, is ecstatic when she finally gets her dream job—even though it's taking her away from her hometown. When she meets over-the-top, man-mountain Mikey, a fitness buff and veterinarian with a messy life in all senses of the word, she thinks she just walked into the second-most exciting adventure of her life. His larger-than-life personality fascinates her, but also shakes the foundations of her quiet, introverted self, knocking her off-kilter. It's a bad idea to let him take her on as a weight-loss client. It's an even worse idea to get involved with him since he's her manwhore roommate...and she's seen him in action. If they give into their undeniable attraction, is it just a train wreck waiting to

happen? Or will their desire fuel a chance at real love? If you love steamy romance, be sure to check out the fourth standalone in the Giving You series.

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY San Francisco Chronicle • Newsweek/The Daily Beast • The Seattle Times • The Economist • Kansas City Star • BookPage On February 14, 1989, Valentine's Day, Salman Rushdie was telephoned by a BBC journalist and told that he had been "sentenced to death" by the Ayatollah Khomeini. For the first time he heard the word fatwa. His crime? To have written a novel called *The Satanic Verses*, which was accused of being "against Islam, the Prophet and the Quran." So begins the extraordinary story of how a writer was forced underground, moving from house to house, with the constant presence of an armed police protection team. He was asked to choose an alias that the police could call him by. He thought of writers he loved and combinations of their names; then it came to him: Conrad and Chekhov—Joseph Anton. How do a writer and his family live with the threat of murder for more than nine years? How does he go on working? How does he fall in and out of love? How does despair shape his thoughts and actions, how and why does he stumble, how does he learn to fight back? In this remarkable memoir Rushdie tells that story for the first time; the story of one of the crucial battles, in our time, for freedom of speech. He talks about the sometimes grim, sometimes comic realities of living with armed policemen, and of the close bonds he formed with his protectors; of his struggle for support and understanding from governments, intelligence chiefs, publishers, journalists, and fellow writers; and of how he regained his freedom. It is a book of exceptional frankness and hones-

ty, compelling, provocative, moving, and of vital importance. Because what happened to Salman Rushdie was the first act of a drama that is still unfolding somewhere in the world every day. Praise for *Joseph Anton* "A harrowing, deeply felt and revealing document: an autobiographical mirror of the big, philosophical preoccupations that have animated Mr. Rushdie's work throughout his career."—Michiko Kakutani, *The New York Times* "A splendid book, the finest . . . memoir to cross my desk in many a year."—Jonathan Yardley, *The Washington Post* "Thoughtful and astute . . . an important book."—USA Today "Compelling, affecting . . . demonstrates Mr. Rushdie's ability as a stylist and storyteller. . . . [He] reacted with great bravery and even heroism."—*The Wall Street Journal* "Gripping, moving and entertaining . . . nothing like it has ever been written."—*The Independent (UK)* "A thriller, an epic, a political essay, a love story, an ode to liberty."—*Le Point (France)* "Action-packed . . . in a literary class by itself . . . Like Isherwood, Rushdie's eye is a camera lens—firmly placed in one perspective and never out of focus."—*Los Angeles Review of Books* "Unflinchingly honest . . . an engrossing, exciting, revealing and often shocking book."—*de Volkskrant (The Netherlands)* "One of the best memoirs you may ever read."—*DNA (India)* "Extraordinary . . . Joseph Anton beautifully modulates between . . . moments of accidental hilarity, and the higher purpose Rushdie saw in opposing—at all costs—any curtailment on a writer's freedom."—*The Boston Globe*

Salman Rushdie's most ambitious and accomplished novel, sure to be hailed as his masterpiece. At the beginning of this stunning novel, *Vina Apsara*, a famous and much-loved singer, is caught up in a

devastating earthquake and never seen again by human eyes. This is her story, and that of Ormus Cama, the lover who finds, loses, seeks, and again finds her, over and over, throughout his own extraordinary life in music. Their epic romance is narrated by Ormus's childhood friend and Vina's sometime lover, her "back-door man," the photographer Rai, whose astonishing voice, filled with stories, images, myths, anger, wisdom, humor, and love, is perhaps the book's true hero. Telling the story of Ormus and Vina, he finds that he is also revealing his own truths: his human failings, his immortal longings. He is a man caught up in the loves and quarrels of the age's goddesses and gods, but dares to have ambitions of his own. And lives to tell the tale. Around these three, the uncertain world itself is beginning to tremble and break. Cracks and tears have begun to appear in the fabric of the real. There are glimpses of abysses below the surfaces of things. *The Ground Beneath Her Feet* is Salman Rushdie's most gripping novel and his boldest imaginative act, a vision of our shaken, mutating times, an engagement with the whole of what is and what might be, an account of the intimate, flawed encounter between the East and the West, a brilliant remaking of the myth of Orpheus, a novel of high (and low) comedy, high (and low) passions, high (and low) culture. It is a tale of love, death, and rock 'n' roll.

From one of the great novelists of our day, a vital, brilliant new book of essays, speeches and articles essential for our times. *Step Across This Line* showcases the other side of one of fiction's most astonishing conjurers. On display is Salman Rushdie's incisive, thoughtful and generous mind, in prose that is as entertaining as it is topical. The world is here, captured in pieces on a dazzling array of sub-

jects: from New York's Amadou Diallo case to the Wizard of Oz, from U2 to fifty years of Indian writing, from a tribute to Angela Carter to the struggle to film *Midnight's Children*. The title essay was originally delivered at Yale as the 2002 Tanner lecture on human values, and examines the changing meaning of frontiers in the modern world -- moral and metaphorical frontiers as well as physical ones. The collection chronicles Rushdie's intellectual journeys, but it is also an intimate invitation into his life: he explores his relationship to India through a moving diary of his first visit there in over a decade, "A Dream of Glorious Return." *Step Across This Line* also includes "Messages From the Plague Years," a historic set of letters, articles and reflections on life under the fatwa. Gathered together for the first time, this is Rushdie's humane, intelligent and angry response to a grotesque threat, aimed not just at him but at free expression itself. *Step Across This Line*, Salman Rushdie's first collection of non-fiction in a decade, has the same energy, imagination and erudition as his astounding novels -- along with some very strong opinions.

A single mother is torn between duty to her child and her career as a pianist and composer. The woman is Irish and her problem is aggravated by church and parents. Lots of detail on musical composition.

A tall, yellow-haired young European traveller calling himself "Mogor dell'Amore," the Mughal of Love, arrives at the court of the real Grand Mughal, the Emperor Akbar, with a tale to tell that begins to obsess the whole imperial capital. The stranger claims to be the child of a lost Mughal princess, the youngest sister of Akbar's grandfather Babar: Qara Köz,

'Lady Black Eyes', a great beauty believed to possess powers of enchantment and sorcery, who is taken captive first by an Uzbek warlord, then by the Shah of Persia, and finally becomes the lover of a certain Argalia, a Florentine soldier of fortune, commander of the armies of the Ottoman Sultan. When Argalia returns home with his Mughal mistress the city is mesmerised by her presence, and much trouble ensues. The Enchantress of Florence is a love story and a mystery – the story of a woman attempting to command her own destiny in a man's world. It brings together two cities that barely know each other – the hedonistic Mughal capital, in which the brilliant emperor wrestles daily with questions of belief, desire and the treachery of sons, and the equally sensual Florentine world of powerful courtesans, humanist philosophy and inhuman torture, where Argalia's boyhood friend 'il Machia' – Niccolò Machiavelli – is learning, the hard way, about the true brutality of power. These two worlds, so far apart, turn out to be uncannily alike, and the enchantments of women hold sway over them both. But is Mogor's story true? And if so, then what happened to the lost princess? And if he's a liar, must he die?

NEW YORK TIMES BESTSELLER • A modern American epic set against the panorama of contemporary politics and culture—a hurtling, page-turning mystery that is equal parts *The Great Gatsby* and *The Bonfire of the Vanities* ONE OF THE BEST BOOKS OF THE YEAR: NPR, PBS, Harper's Bazaar, Esquire, Financial Times, The Times of India On the day of Barack Obama's inauguration, an enigmatic billionaire from foreign shores takes up residence in the architectural jewel of "the Gardens," a cloistered community in New York's Greenwich Village.

The neighborhood is a bubble within a bubble, and the residents are immediately intrigued by the eccentric newcomer and his family. Along with his improbable name, untraceable accent, and unmistakable whiff of danger, Nero Golden has brought along his three adult sons: agoraphobic, alcoholic Petya, a brilliant recluse with a tortured mind; Apu, the flamboyant artist, sexually and spiritually omnivorous, famous on twenty blocks; and D, at twenty-two the baby of the family, harboring an explosive secret even from himself. There is no mother, no wife; at least not until Vasilisa, a sleek Russian expat, snags the septuagenarian Nero, becoming the queen to his king—a queen in want of an heir. Our guide to the Golden's world is their neighbor René, an ambitious young filmmaker. Researching a movie about the Golden's, he ingratiates himself into their household. Seduced by their mystique, he is inevitably implicated in their quarrels, their infidelities, and, indeed, their crimes. Meanwhile, like a bad joke, a certain comic-book villain embarks upon a crass presidential run that turns New York upside-down. Set against the strange and exuberant backdrop of current American culture and politics, *The Golden House* also marks Salman Rushdie's triumphant and exciting return to realism. The result is a modern epic of love and terrorism, loss and reinvention—a powerful, timely story told with the daring and panache that make Salman Rushdie a force of light in our dark new age.

Now with a new Preface and Afterword by the author “Outstanding . . . [Isobel Coleman] takes us into remote villages and urban bureaucracies to find the brave men and women working to create change in the Middle East.”—Los Angeles Times In this timely and important book, Isobel Coleman shows how Muslim women and men across the Middle East are working within Islam to fight for women’s rights in a growing movement of Islamic feminism. Journeying through Saudi Arabia, Iraq, Iran, Afghanistan, and Pakistan, Coleman introduces the reader to influential Islamic feminist thinkers and successful grassroots activists working to create economic, political, and educational opportunities for women. Their advocacy for women’s rights based on more progressive interpretations of Islam are critical to bridging the conflict between those championing reform and those seeking to oppress women in the name of religious tradition. Socially, culturally, economically, and politically, the future of the region depends on finding ways to accommodate human rights, and in particular women’s rights, with Islamic law. These reformers—and thousands of others—are the people leading the way forward. Featuring new material that addresses how the Arab uprisings and other recent events have affected the social and political landscape of the region, *Paradise Beneath Her Feet* offers a message of hope: Change is coming to the Middle East—and more often than not, it is being led by women. Praise for *Paradise Beneath Her Feet* “Clearly written, deeply moving, and wonderfully enlightening.”—Reza Aslan, author of *No god but God* “[An] engrossing portrait of real Muslim women that reveals how Islamic feminists . . . are working with and

within the culture, rather than against it . . . to forge ‘a legitimate Islamic alternative to the current repressive system.’ Coleman doesn’t diminish the enormity of the struggle, but she argues convincingly that it might yet rewrite Islam’s future.”—Publishers Weekly (starred review) “A nuanced view of Islam’s role in public life that is cautiously hopeful.”—The Economist “Eye-opening . . . Deeply religious, profoundly determined and modern in every way, these are twenty-first-century women bent on change. Hear them roar and see a future being born before our eyes.”—Booklist Collected interviews that reveal a man with a powerful mind, a wry sense of humor, and an unshakable commitment to justice

A NEW YORK TIMES NOTABLE BOOK It is 1901 and Buffalo, New York, stands at the center of the nation’s attention as a place of immense wealth and sophistication. The massive hydroelectric power development at nearby Niagara Falls and the grand Pan-American Exposition promise to bring the Great Lakes “city of

light” even more repute. Against this rich historical backdrop lives Louisa Barrett, the attractive, articulate headmistress of the Macaulay School for Girls. Protected by its powerful all-male board, “Miss Barrett” is treated as an equal by the men who control the life of the city. Lulled by her unique relationship with these titans of business, Louisa feels secure in her position, until a mysterious death at the power plant triggers a sequence of events that forces her to return to a past she has struggled to conceal, and to question everything and everyone she holds dear. Both observer and participant, Louisa Barrett guides the reader through the culture and conflicts of a time and place where immigrant factory workers and nature conservationists protest violently against industrialists, where presidents broker politics, where wealthy “Negroes” fight for recognition and equality, and where women struggle to thrive in a system that allows them little freedom. Wrought with remarkable depth and intelligence, *City of Light* remains a work completely of its own era, and of ours as well. A stirring literary accomplishment, Lauren Belfer's first novel marks the debut of a fresh voice for the new millennium and heralds a major publishing event.

Fiction after the Fatwa: Salman Rushdie and the Charm of Catastrophe proposes for the first time an examination of what Rushdie has achieved as a writer since the fourteenth of February 1989, the date of the fatwa. This study argues that his constant questioning of fictional form and the language used to articulate it have opened up new opportunities and further possibilities for writing in the late twentieth and early twenty-first centuries. Through close readings and intensive textual analysis, arranged chronolog-

ically, *Fiction after the Fatwa* provides a thought-provoking reflection on the writer's achievements over the last thirteen years. Aimed principally at academics and students, but also of interest to the general reader, it engages with the specific nature of the post-fatwa fiction as it moves from the fairy-tale world of *Haroun and the Sea of Stories* to the heartbreaking post-realism of *Fury*.

A collection of real-life stories journeys inside the world of zoo veterinarians, who recount their experiences with exotic zoo animals, from raising an orphaned baby beluga whale to helping an anorexic eel regain its appetite.

This book analyses the novels of Salman Rushdie and their stylistic conventions in the context of Indian popular cinema and its role in the elaboration of the author's arguments about post-independence postcolonial India. Focusing on different genres of Indian popular cinema, such as the ‘Social’, ‘Mythological’ and ‘Historical’, Stadtler examines how Rushdie's writing foregrounds the epic, the mythic, the tragic and the comic, linking them in storylines narrated in cinematic parameters. The book shows that Indian popular cinema's syncretism becomes an aesthetic marker in Rushdie's fiction that allows him to elaborate on the multiplicity of Indian identity, both on the subcontinent and abroad, and illustrates how Rushdie uses Indian popular cinema in his narratives to express an aesthetics of hybridity and a particular conceptualization of culture with which ‘India’ has become identified in a global context. Also highlighted are Rushdie's uses of cinema to inflect his reading of India as a pluralist nation and of the hybrid space occupied by the Indian diaspora across the world. The book connects Rushdie's storylines with modes of cinematic representation to explore questions about the

role, place and space of the individual in relation to a fast-changing social, economic and political space in India and the wider world.

Salman Rushdie once observed that William Faulkner was the writer most frequently cited by third world authors as their major influence. Inspired by the unexpected lines of influence and sympathy that Rushdie's statement implied, this book seeks to understand connections between American and global experience as discernible in twentieth-century fiction. The worldwide imprint of modern American experience has, of late, invited reappraisals of canonical writers and classic national themes from globalist perspectives. Advancing this line of critical inquiry, this book argues that the work of Salman Rushdie, Ralph Ellison, and William Faulkner reveals a century-long transformation of how American identity and experience have been imagined, and that these transformations have been provoked by new forms of immigration and by unanticipated mixings of cultures and ethnic groups. This book makes two innovations: first, it places a contemporary world writer's fiction in an American context; second, it places two modern American writers' novels in a world context. Works discussed include Rushdie's *The Ground Beneath Her Feet* and *Satanic Verses*; Ellison's *Invisible Man* and *Juneteenth*; and Faulkner's *The Sound and the Fury* and *Light in August*. The scholarly materials range from U.S. immigration history and critical race theory to contemporary studies of cultural and economic globalization.

After drinking an elixir that bestows immortality upon him, a young Indian named Flapping Eagle spends the next seven hundred years sailing the seas

with the blessing—and ultimately the burden—of living forever. Eventually, weary of the sameness of life, he journeys to the mountainous Calf Island to regain his mortality. There he meets other immortals obsessed with their own stasis and sets out to scale the island's peak, from which the mysterious and corrosive Grimus Effect emits. Through a series of thrilling quests and encounters, Flapping Eagle comes face-to-face with the island's creator and unwinds the mysteries of his own humanity. Salman Rushdie's celebrated debut novel remains as powerful and as haunting as when it was first published more than thirty years ago.

Kluwick breaks new ground in this book, moving away from Rushdie studies that focus on his status as postcolonial or postmodern, and instead considering the significance of magic realism in his fiction. Rushdie's magic realism, in fact, lies at the heart of his engagement with the post/colonial. In a departure from conventional descriptions of magic realism—based primarily on the Latin-American tradition—Kluwick here proposes an alternative definition, allowing for a more accurate description of the form. She argues that it is disharmony, rather than harmony, that is decisive: that the incompatibility of the realist and the supernatural needs to be recognized as a driving force in Rushdie's fiction. In its rigorous analysis of this Rushdian magic realism, this book considers the entire corpus—*Midnight's Children*, *Shame*, *The Satanic Verses*, *The Moor's Last Sigh*, *The Ground Beneath Her Feet*, *Shalimar the Clown*, and *The Enchantress of Florence*. This study is the first of its kind to do so.

In Salman Rushdie's novels, images are invested with the power to manipulate the plotline, to stipulate actions from the characters, to have sway over them, seduce them, or even lead them astray. *Salman Rushdie and Visual Culture* sheds light on this largely unremarked – even if central – dimension of the work of a major contemporary writer. This collection brings together, for the first time and into a coherent whole, research on the extensive interplay between the visible and the readable in Rushdie's fiction, from one of the earliest novels – *Midnight's Children* (1981) – to his latest – *The Enchantress of Florence* (2008).

The Wizard of Oz 'was my very first literary influence,' writes Salman Rushdie in his account of the great MGM children's classic. At the age of ten he had written a story, 'Over the Rainbow', about a colourful fantasy world. But for Rushdie *The Wizard of Oz* is more than a children's film, and more than a fantasy. It's a story whose driving force is the inadequacy of adults, in which 'the weakness of grown-ups forces children to take control of their own destinies'. And Rushdie rejects the conventional view that its fantasy of escape from reality ends with a comforting return to home, sweet home. On the contrary, it is a film that speaks to the exile. *The Wizard of Oz* shows that imagination can become reality, that there is no such place like

home, or rather that the only home is the one we make for ourselves. Rushdie's brilliant insights into a film more often seen than written about are rounded off with his typically scintillating short story, 'At the Auction of the Ruby Slippers,' about the day when Dorothy's red shoes are knocked down to \$15,000 at a sale of MGM props. In his foreword to this special edition, published to celebrate the 20th anniversary of the BFI Film Classics series, Rushdie looks back to the circumstances in which he wrote the book, when, in the wake of the controversy surrounding *The Satanic Verses* and the issue of a fatwa against him, the idea of home and exile held a particular resonance.

Salman Rushdie's novels comprise a linguistic tour de force. They are compositionally equilibristic, politically relevant, a bombardment of the senses, humorous fabulations, and intellectually stimulating. In *Salman Rushdie: A Deleuzian Reading*, author Soren Frank analyzes five of Rushdie's novels: *Grimus*, *Midnight's Children*, *Shame*, *The Satanic Verses*, and *The Ground Beneath Her Feet*. Claiming an intellectual kinship between Rushdie and the French philosopher Gilles Deleuze in regard to worldview, aesthetics, and human identity, the author's analytical starting point is Deleuze's concepts of rhizome, simulacrum, and lines of flight, which are used as guiding principles in his comprehensive examination of Rushdie's compositional and enunciatory strategies and his portrayals of a variety of memorable migrant characters. The volume will be of special relevance to students, scholars, and general readers concerned with the work of Salman Rushdie and Gilles Deleuze.

Salman Rushdie is a major contemporary writer, who engages with some of the vi-

tal issues of our times: migrancy, post-colonialism, religious authoritarianism. This Companion offers a comprehensive introduction to his entire oeuvre. In one volume, this book provides a stimulating introduction to the author and his work in a range of expert essays and readings. With its detailed chronology of Rushdie's life and a comprehensive bibliography of further reading, this volume will be invaluable to undergraduates studying Rushdie and to the general reader interested in his work.

Professor Malik Solanka, retired historian of ideas, irascible doll maker, and since his recent fifty-fifth birthday celibate and solitary by his own (much criticized) choice, in his silvered years found himself living in a golden age. Outside his window, a long humid summer, the first hot season of the third millennium, baked and perspired. The city boiled with money. Rents and property values had never been higher, and in the garment industry it was widely held that fashion had never been so fashionable. - from *Fury*

From one of the world's truly great writers comes a wickedly brilliant and pitch-black comedy about a middle-aged professor who finds himself in New York City in the summer of 2000. Not since the Bombay of *Midnight's Children* have a time and place been so intensely captured in a novel. Salman Rushdie's eighth novel opens on a New York living at break-neck speed in an

age of unprecedented decadence. Malik Solanka, a Cambridge-educated self-made millionaire originally from Bombay, arrives in this town of IPOs and white-hot trends looking, perversely, for escape. He is a man in flight from himself. This former philosophy professor is the inventor of a hugely popular doll whose multi-form ubiquity – as puppet, cartoon and talk-show host – now rankles with him. He becomes frustratingly estranged from his own creation. At the same time, his marriage is disintegrating, and Solanka very nearly commits an unforgivable act. Horrified by the fury within him, he flees across the Atlantic. He discovers a city roiling with anger, where cab drivers spout invective and a serial killer is murdering women with a lump of concrete, a metropolis whose population is united by petty spats and bone-deep resentments. His own thoughts, emotions and desires, meanwhile, are also running wild. He becomes deeply embroiled in not one but two new liaisons, both, in very different ways, dangerous. Professor Solanka's navigation of his new world makes for a hugely entertaining and compulsively readable novel. *Fury* is a pitiless comedy that lays bare, with spectacular insight and much glee, the darkest side of human nature.

gether wonderfully her own. At the center of this invigorating novel are two unlikely friends, Archie Jones and Samad Iqbal. Hapless veterans of World War II, Archie and Samad and their families become agents of England's irrevocable transformation. A second marriage to Clara Bowden, a beautiful, albeit tooth-challenged, Jamaican half his age, quite literally gives Archie a second lease on life, and produces Irie, a knowing child whose personality doesn't quite match her name (Jamaican for "no problem"). Samad's late-in-life arranged marriage (he had to wait for his bride to be born), produces twin sons whose separate paths confound Iqbal's every effort to direct them, and a renewed, if selective, submission to his Islamic faith.

Newly collected, revised, and expanded nonfiction from the first two decades of the twenty-first century—including many texts never previously in print—by the Booker Prize-winning, internationally bestselling author Longlisted for the PEN/Diamonstein-Spielvogel Award for the Art of the Essay Salman Rushdie is celebrated as "a master of perpetual storytelling" (*The New Yorker*), illuminating truths about our society and culture through his gorgeous, often searing prose. Now, in his latest collection of nonfiction, he brings together insightful and inspiring essays, criticism, and speeches that focus on his relationship with the written word and solidify his place as one of the most original thinkers of our time. Gathering pieces written between 2003 and 2020, *Languages of Truth* chronicles Rushdie's intellectual engagement with a period of momentous cultural shifts. Immersing the reader in a wide variety of subjects, he delves into the nature of storytelling as a human need, and what emerges is, in myriad ways, a love letter to literature itself.

Rushdie explores what the work of authors from Shakespeare and Cervantes to Samuel Beckett, Eudora Welty, and Toni Morrison mean to him, whether on the page or in person. He delves deep into the nature of “truth,” revels in the vibrant malleability of language and the creative lines that can join art and life, and looks anew at migration, multiculturalism, and censorship. Enlivened on every page by Rushdie’s signature wit and dazzling voice, *Languages of Truth* offers the author’s most piercingly analytical views yet on the evolution of literature and culture even as he takes us on an exhilarating tour of his own exuberant and fearless imagination.

- A fascinating true tale: When city girl Shreve Stockton set out to ride her Vespa from San Francisco to New York, she never imagined she’d end up staying in Wyoming, falling in love with a trapper, and working as a ranch hand. Nor could she have foreseen meeting Charlie, the or-

phaned coyote pup who made Stockton’s log cabin his home. In a world where coyotes are hunted as killers, Stockton and Charlie faced challenges—as well as joys—throughout their first year, each of which came with revelations about life, love, and the bond between humans and nature. .

- Based on an award-winning blog: *The Daily Coyote* was inspired by Stockton’s blog of the same name. Wildly popular and hailed by Rosie O’Donnell, *Vanity Fair*, and the *L.A. Times*, the site receives over a million hits per month and was the winner of the 2007 Weblog of the Year Award only a month after its inception. .
- A moving visual memoir: Stockton documents Charlie’s first year in stunning full-color photography. Each month’s entry is accompanied by rich images of Charlie as he grows from adorable pup to wily adult, alongside Stockton’s tomcat, Eli, and set against the wide-open landscapes of Wyoming. .
