College Success has a student-friendly format arranged to help you develop the essential skills and provide the information you need to succeed in college. This is not a textbook full of theory and extensive detail that merely discusses student success; rather, this is a how-to manual for succeeding in college.

The Student Success Guide may be used independently by the student who wishes to improve his or her chances of success in humanities and social science courses. The book could also be used as the sole text in a Study Skills course or as an adjunct text in an English or Humanities course.

A Letter From the Founder. As our world has evolved over the past several years into a more digital medium of communication, we at Success Foundation have made the decision to no longer distribute hard copies of the SUCCESS for Teens book and the SUCCESS for Teens Facilitator Guide. Instead, both of these great treasures will continue...
