"We have performed side-by-side on the global stage through half a century.... In Lightning Striking, Lenny Kaye has illuminated ten facets of the jewel called rock and roll from a uniquely personal and knowledgeable perspective." -Patti Smith An insider's take on the evolution and enduring legacy of the music that rocked the twentieth century Memphis 1954. New Orleans 1957. Philadelphia 1959. Liverpool 1962. San Francisco 1967. Detroit 1969. New York, 1975. London 1977. Los Angeles 1984 / Norway 1993. Seattle 1991. Rock and roll was birthed in basements and garages, radio stations and dance halls, in cities where unexpected gatherings of artists and audience changed and charged the way music is heard and celebrated, capturing lightning in a bottle. Musician and writer Lenny Kaye explores ten crossroads of time and place that define rock and roll, its unforgettable flashpoints, characters, and visionaries; how each generation came to be; how it was discovered by the world. Whether describing Elvis Presley's Memphis, the Beatles' Liverpool, Patti Smith's New York, or Kurt Cobain's Seattle, Lightning Striking reveals the communal energy that creates a scene, a guided

tour inside style and performance, to see who's on stage, along with the movers and shakers, the hustlers and hangers-on--and why everybody is listening. Grandly sweeping and minutely detailed, informed by Kaye's acclaimed knowledge and experience as a working musician, *Lightning Striking* is an ear-opening insight into our shared musical and cultural history, a magic carpet ride of rock and roll's most influential movements and moments.

Alfred's Basic Prep Course, Lesson Book A is specifically designed for beginners who are five years old and up. Through the use of appealing music and attractive illustrations, it is no wonder that Lesson Book A is the most widely used young beginner's piano book now available. This course takes into consideration the normal attention span, as well as the small-sized hands of the young beginner. Shortly after beginning, the young student will be able to play "Merrily We Roll Along." A companion CD is included. The complete Prep Course consists of six books (Levels A through F). This course is most effective when used under the direction of a piano teacher or experienced musician.

(Faber Piano Adventures). Written for ages 5 and 6, *My First Piano Adventure* captures the child's playful spirit. Fun-filled songs, rhythm games and technique activities develop beginning keyboard skills. Three distinguishing features of the Lesson Book A make it unique and effective for the young 5-6 year old beginner. 1. A strong focus on technique embedded in the book through playful technique games, chants, and carefully-composed pieces that gently lead the child into pianistic mo-

tions. 2. An outstanding CD for the young student to listen, sing, tap, and play along with at the piano. The orchestrated songs on the CD feature children singing the lyrics, which has great appeal to the 5-6 year old beginner. The CD becomes a ready-made practice partner that guides the student and parent for all the pieces and activities in the books. 3. The fanciful art features five multi-cultural children who are also learning to play. These friends at the piano introduce basic rhythms, white key names, and a variety of white and black-key songs that span classical, folk, and blues. Young students will listen, sing, create, and play more musically with Nancy and Randall Faber's *My First Piano Adventure, Lesson Book A*. The Lesson Book introduces directional pre-reading, elementary music theory and technique with engaging songs, games, and creative discovery at the keyboard. Young students will enjoy the multi-cultural "friends at the piano" who introduce white-key names, basic rhythms, and a variety of songs which span classical, folk, and blues. Ear-training and eye-training are also part of the curriculum. The Fabers' instructional theory "ACE" - Analysis, Creativity, and Expression, guides the pedagogy of *My First Piano Adventure*. Analysis leads to understanding, creativity leads to self-discovery, and expression develops personal artistry. The CD for this book offers a unique listening experience with outstanding orchestrations and vocals. The recordings demonstrate a key principle of the course: when children listen, sing, tap, and move to their piano music, they play more musically. [View Helpful Introductory Videos Here](#)
