In this classic study, St. John's Revelation is approached as a great and singular theological poem. Austin Farrer shows how the poem arose in an inspired mind, by what processes of divination

its author explored the realm of supernatural truth, how he used the images of his Old Testament faith and gave them fresh meaning in the context of his scheme. Here the reader may follow the workings of a late first-century Christian imagination, in which the Scriptures and the stars, the liturgy of the temple and the magic of numbers, the elements of nature and the march of human history are closely interwoven.

South Carolina high school senior Nat has worked hard to put her trailer-park past behind her, and when she and her boyfriend are crowned Palmetto Prince and Princess everything would be perfect, except that a prank they played a few nights before went horribly awry

Su Xiaokang had faced calamity before: in 1989, after the Tiananmen Square massacre, he became the object of a government manhunt and was forced to flee China, leaving behind his wife and young son. Eventually his family was allowed to join him in exile in the United States, and he believed the worst was behind him. Then a terrible automobile accident left his wife, Fu Li, unable to move or speak. In this remarkably honest account, Su, who blamed himself for his family's disaster, writes wrenchingly of his inner torment and despair. He describes the pain of living in exile, his desperate search for a miracle cure for Fu Li, and his bemusement at his teenage son's increasing Americanization. Above all, Su's moving memoir invites us along on a deeply personal odyssey, as a man who had once been at the center of an international political drama dedicates himself to the far more demanding task of remaking an emotional world for his wife and son.

In this brilliant work, the most influential philosopher since Sartre suggests that such vaunted reforms as the abolition of torture and the emergence of the modern penitentiary have merely shifted the focus of punishment from the prisoner's body to his soul.

As a kid, she crushed my dreams to dust. She tore both of our families apart with one confession, ending any chance of happiness for either of us and setting off a ripple effect of chaos. From these unsettled lives emerges a vision of life, and of the town and landscape that bind them together—their fates somehow overcoming the powerful circumstances of place and station, their confusion, curiosity, dignity and humor intact and resonant. As the milieu widens to embrace fully four generations, Kent Haruf displays an emotional and aesthetic authority to rival the past masters of a classic American tradition.

cludes the fallen-angel romance of Luce and Daniel while recounting the stories of their existences before they met. By the author of *The Betrayal* of Natalie Hargrove.

Does Christianity have anything useful or credible to say to the twenty-first century, or is it just a relic of a past era, doomed eventually to die a long and painful death, perhaps to be replaced by the new atheism or another religion? In an original contribution to such debates, *The Revelation Worldview* is a bold attempt to construct a biblically based Christian worldview that makes sense to postmodern people. It also seeks to make the book of Revelation, one of the most strange and difficult books in the Bible, relevant to issues facing people in the twenty-first century. Jon K. Newton wrestles with the complex notion of worldview, tells the story of the changing Western worldview from its ancient and medieval beginnings through the modern era and into the unpredictable world of postmodernism, and compares the worldview found in Revelation with other worldviews of its day. He then uses Revelation as a source for identifying some basic Christian answers to questions such as: What is real? How do we know anything? How can religious knowledge claims be justified? How can we understand the concept of the human person? How can we make sense of history? And how should we respond to pluralism?
