She coins the term "carnism" to describe the belief system that has conditioned us to eat certain animals and not others. In *Why We Love Dogs, Eat Pigs, and Wear Cows* Joy investigates factory farming, exposing how cruelly the animals are treated, the hazards that meatpacking workers face, and the environmental impact of raising 10 billion animals for food each year. Controversial and challenging, this book will change the way you think about food forever.

Why We Love Dogs, Eat Pigs, and Wear Cows: An Introduction to Carnism | Melanie Joy | download | B-OK. Download books for free. Find books

Though this question is quite complex, the answer is quite simple: carnism.". — Melanie Joy, *Why We Love Dogs, Eat Pigs, and Wear Cows: An Introduction to Carnism: The Belief System That Enables Us to Eat Some Animals and Not Others.* tags: animals , carnism , cats , cows , dogs , food , meat , pets , pigs. 65 likes.

Why We Love Dogs is a slim, efficient book, but it delves deep into our psychological processes and the outside systems that work together to create the schism between what we feel ("I love animals") and what we do (consume them). With several new, thought-provoking concepts brought to the table, Dr. Joy does what the best authors make us do: she helps to unsettle our mental dust and prompts us to think with more depth, honesty and clarity.

Dr Melanie Joy talks about CARNISM - the system of thought that allows some animals to be beloved companions and others to be abused and slaughtered for food...

Because carnism is an invisible belief system, most people view eating animals as a given rather than as a choice. When eating animals is not necessary for survival, however, as is the case in the majority of the world today, then it is a choice.

There are some that would say a dog is only loyal so long as it is getting food and shelter. But if you have ever known a dog and seen the reaction it has when you come home or it is reunited with a fellow four legged friend you know it is about more than that. There are plenty of examples of dogs showing loyalty to their owners.

~~Why We Love Dogs, Eat Pigs, and Wear Cows | Saving Earth ...~~

Social psychologist Melanie Joy explains carnism, the invisible belief system that shapes our perception of the meat we eat, so that we love some animals and eat others without knowing why. Joy explains how carnism, like other isms (sexism, racism, etc.), is most harmful when it is unrecognized; and it is sustained by complex social and psychological mechanisms.
